

BMI The Chiltern Hospital

Introduction

Consultants are critical to each BMI Healthcare hospital. However, in common with other private healthcare operators and in most instances, BMI Healthcare does not employ these consultants. Instead, most consultants working in our hospitals are self-employed practitioners who see and treat patients at our hospitals under the terms of our “Practising Privileges” policy.

In 2014, the Competition and Markets Authority issued an Order (the “**CMA Order**”) regulating the relationships between private hospital groups and consultants who have Practising Privileges or treat private patients or refer them for tests at group facilities (“**Referring Clinicians**”).

In accordance with the CMA Order, hospital operators are prohibited from entering into any incentive schemes that are designed to encourage Referring Clinicians to refer private patients to, or treat private patients at, their facilities. BMI Healthcare does not operate any such schemes. The Order also requires hospital operators to disclose information about certain arrangements they have with Referring Clinicians, including: ownership interests held by Referring Clinicians in the hospital operator or in equipment used in the hospital; the provision of certain “high value” services to Referring Clinicians; the availability of “low value” basic amenities for Referring Clinicians; and any remuneration for services provided by Referring Clinicians to the hospital. Set out below is information about the common arrangements we have with Referring Clinicians. Further details are also available on our individual hospital webpages.

Higher Value Services

We charge our Referring Clinicians £25 per hour for using consulting rooms at this hospital and £21.20 (plus VAT) per hour for using our medical secretarial services, except in relation to NHS patients.

We charge our Referring Clinicians £25 per square foot per annum for using space at the hospital for their own medical secretaries.

Lower Value Services

We provide a number of support services to our Referring Clinicians, for which we do not make a charge. Further details regarding these arrangements are provided on our corporate webpages at [click here](#).

General Corporate Hospitality

In addition to the arrangements detailed on our corporate webpages, we invite members of our hospital Medical Advisory Committee to an annual dinner. The hospital's Executive Director (including their personal assistant) and the senior management team are invited to attend the dinner. The dinner approximately costs £65 per head.

Financial Interests

There are no Referring Clinicians with financial interests in equipment used or services and facilities operated within or at our hospital.

Services Arrangements

Dr Kamel Sawhney, Referring Clinician Paediatrician, is paid £600 when called upon to act as Lead Paediatrician for our hospital.

Group Captain Andy Green, Referring Clinician in Clinical Microbiology, is paid a monthly fee of £1,358.33 for the provision of microbiology support services to the hospital.

Questions
