## Chelsfield Park Hospital is part of Circle Health Group, the UK's largest provider of independent healthcare\*

At Circle Health Group, we have over 54 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over 1.5 million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach, and access to some highly specialised consultants. Chelsfield Park Hospital also has access to some of the latest technology and equipment, including:

- Seven Consulting rooms
- Physiotherapy
- Digital Mammography
- Two Laminar flow operating theatres
- Extended recovery
- Diagnostic Imaging
- Centre for minimally invasive surgical procedures
- Paediatric Service
- Minor procedure treatment room
- Pain management service
- Bariatric Service
- One minor op theatre

Circle Health Group is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*During the period of January - December 2022 Chelsfield Park Hospital received 2236 completed inpatient/daycase patient surveys. Questionnaires analysed by Quality Health, an independent survey provider.

## 97.7%

# Support is one call away

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients to a Circle Health Group hospital. We offer three routes for referral, including a freephone number, secure email address, and fax number.

Our Hotline advisers are trained to receive dictation from you and issue a referral letter on behalf of your practice. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for an appointment with the chosen consultant.
