

Shirley Oaks
Hospital

DIRECTORY OF CONSULTANTS 2021

BMI Shirley Oaks Hospital

BMI SHIRLEY OAKS HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 52 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI Shirley Oaks Hospital also has access to some of the latest technology and equipment, including:

- ✓ 64 slice CT scanner
- ✓ 2 Inpatient/daycase wards (30 beds)
- ✓ 10 Consulting rooms
- ✓ 1 Minor procedures theatre
- ✓ 3 Operating theatres (one laminar flow)
- ✓ Ambulatory care unit
- ✓ JAG accredited endoscopy unit with dedicated endoscopy theatre
- ✓ Ultrasound
- ✓ Physiotherapy
- ✓ Wide bore MRI scanner
- ✓ X-ray
- ✓ Digital mammography

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2020. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 132 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 772 completing a questionnaire Oct 2019 - Sep 2020. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 768 completing a questionnaire Oct 2019 - Sep 2020. ****Friends and Family recommendation figures based on 913 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2019 - Sep 2020. Questionnaires analysed by Quality Health, an independent survey provider.

Expectations

92.4%

Met or Exceeded**

Nursing care

82.7%

satisfaction**

Overall quality

96.4%

of care satisfaction***

97.5% of our patients say that they would recommend the hospital to friends or family

Your patient's safety is our priority

To keep your patients safe in our hospital some of the measures we have in place are:

Our staff wear appropriate Personal Protective Equipment

Patients and visitors must wear face masks

Visitor numbers are limited to minimise risk to patients and staff

Everyone in our hospital has easy access to handwashing facilities and sanitisers

Patients will be asked to complete a screening questionnaire so we can assess any risk of COVID-19

All patients being admitted will be tested for COVID-19, with an additional temperature check upon arrival

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients to a BMI Healthcare hospital. We offer three routes for referral including a freephone number, secure email address and fax number.

Our Hotline advisers are trained to receive dictation from you and issue a referral letter on behalf of your practice. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for an appointment with the chosen consultant.

EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS
