

DIRECTORY OF CONSULTANTS 2021

BMI The Alexandra Hospital

BMI The Alexandra Hospital is located in Cheshire, on the border of Greater Manchester, and provides a wide range of medical and surgical procedures to thousands of patients each year.

- Private Walk In Centre
- 7 operating theatres
- A comprehensive diagnostic imaging department offering x-ray, ultrasound, CT, MRI, mammography, cardiac MRI, cardiac CT and nuclear medicine
- 5 bed, level 3 intensive care unit
- Physiotherapy department with gym

- Endoscopy
- Women's Health Unit
- 45 consulting rooms
- Oncology Ward and private chemotherapy rooms
- Hybrid cardiac catheterisation and electrophysiology laboratory
- Minor procedures unit

Your patient's safety is our priority

To keep your patients safe in our hospital some of the measures we have in place are:

Our staff wear appropriate Personal Protective Equipment

Patients and visitors must wear face masks

Visitor numbers are limited to minimise risk to patients and staff

Everyone in our hospital has easy access to handwashing facilities and sanitisers

Patients will be asked to complete a screening questionnaire so we can assess any risk of COVID-19

All patients being admitted will be tested for COVID-19, with an additional temperature check upon arrival

Spread the cost of your treatment

BMI Healthcare offers two flexible finance options, making paying for treatment more affordable than you might think.

- Spread the cost over 12 months, interest free with BMI Card*
- Fixed monthly repayments provided through Chrysalis Finance*

To find out more visit bmihealthcare.co.uk/paying-for-treatment

Your patients don't have to wait for treatment

Let your patients know there are no waiting lists when they pay for themselves. Fast access to the consultant of their choice, usually within 48 hours, all-inclusive, fixed price treatments and the flexibility of spreading the cost interest-free*.

To refer your patient call

0808 101 0336

Mr P Krysiak (M) Adult thoracic surgery, lung disease, lung surgery, lung cancer and computer assisted surgery. Mr K McLaughlin (M) Aortic surgery, coronary surgery, mitral valve surgery and valve surgery. Mr P Modi (M) Minimally invasive mitral valve surgery, aortic valve surgery and thoracoscopic atrial fibrillation surgery. Coronary artery bypass surgery by total arterial revascularisation, reconstructive mitral and tricuspid valve surgery, aortic valve replacement and mechanical circulatory support. Mr R Shah (M) Lung cancer, chest wall tumours, airway interventions, minimally invasive surgery, surgery for metastases, pleural diseases and mediastinal tumours.	Mr M Sharif (M)	Benign breast disease, malignant breast disease, cosmetic breast surgery. One stop breast clinic.
Mr Q Abid (M) Arterial revascularisation, mitral valve repair and aortic root surgery. Mr H Abunasra (M) Mitral valve repair surgery, tricuspid valve and radiofrequency ablation surgery. Minimal invasive mitral and aortic valve surgery. Coronary artery bypass surgery, acute coronary syndrome. Aortic vascular surgery, aortic root replacement/repair. Mr L Balacumaraswami Minimally invasive heart surgery, beating heart coronary bypass surgery, heart valve repair and replacement surger and heart surgery for endocarditis. Mr J Barnard (M) Aortic root replacement, aortic valve replacement, coronary artery bypass graft surgery and mitral valve repair. Mr Hasan (M) Off pump coronary artery bypass surgery, mitral valve repair and aortic surgery. Mr I Kadir (M) Off pump coronary revascularisation, arterial grafting, total aortic surgery and valve repair, transplantation and hea failure. Mr P Krysiak (M) Adult thoracic surgery, lung disease, lung surgery, lung cancer and computer assisted surgery. Mr K McLaughlin (M) Aortic surgery, coronary surgery, mitral valve surgery and valve surgery. Mr P Modi (M) Minimally invasive mitral valve surgery, aortic valve surgery and thoracoscopic atrial fibrillation surgery, aortic valve replacement and mechanical circulatory support. Mr N Nwaejike Coronary artery bypass surgery by total arterial revascularisation, reconstructive mitral and tricuspid valve surgery, aortic valve replacement and mechanical circulatory support. Mr R Shah (M) Lung cancer, chest wall tumours, airway interventions, minimally invasive surgery, surgery for metastases, pleural diseases and mediastinal tumours.	Ms E de Sousa (F)	Breast cancer surgery, full and partial breast reconstruction, cosmetic breast surgery, breast lifts and reductions, fat transfer, revisional breast surgery, implant surgery, benign breast surgery, gynaecomastia, nipple surgery.
Mitral valve repair surgery, tricuspid valve and radiofrequency ablation surgery. Minimal invasive mitral and aortic valve surgery. Coronary artery bypass surgery, acute coronary syndrome. Aortic vascular surgery, aortic root replacement/repair. Mr L Balacumaraswami Minimally invasive heart surgery, beating heart coronary bypass surgery, heart valve repair and replacement surger and heart surgery for endocarditis. Mr J Barnard (M) Aortic root replacement, aortic valve replacement, coronary artery bypass graft surgery and mitral valve repair. Mr R Hasan (M) Off pump coronary artery bypass surgery, mitral valve repair and aortic surgery. Mr R Hasan (M) Off pump coronary revascularisation, arterial grafting, total aortic surgery and valve repair, transplantation and hea failure. Mr P Krysiak (M) Adult thoracic surgery, lung disease, lung surgery, lung cancer and computer assisted surgery. Mr K McLaughlin (M) Aortic surgery, coronary surgery, mitral valve surgery and valve surgery. Mr P Modi (M) Minimally invasive mitral valve surgery, aortic valve surgery and thoracoscopic atrial fibrillation surgery. Mr N Nwaejike Coronary artery bypass surgery by total arterial revascularisation, reconstructive mitral and tricuspid valve surgery, aortic valve replacement and mechanical circulatory support. Mr R Shah (M) Lung cancer, chest wall tumours, airway interventions, minimally invasive surgery, surgery for metastases, pleural diseases and mediastinal tumours.	CARDIO-THORACIC SU	IRGERY
valve surgery. Coronary artery bypass surgery, acute coronary syndrome. Aortic vascular surgery, aortic root replacement/repair. Mr L Balacumaraswami Minimally invasive heart surgery, beating heart coronary bypass surgery, heart valve repair and replacement surger and heart surgery for endocarditis. Mr K McLaughlin (M)	Aortic surgery, coronary surgery, mitral valve surgery and valve surgery.
aortic valve replacement and mechanical circulatory support. Mr R Shah (M) Lung cancer, chest wall tumours, airway interventions, minimally invasive surgery, surgery for metastases, pleural diseases and mediastinal tumours.	Mr P Modi (M)	Minimally invasive mitral valve surgery, aortic valve surgery and thoracoscopic atrial fibrillation surgery.
diseases and mediastinal tumours.	Mr N Nwaejike	
Mr F Sogliani (M) Cardiac surgery in renal failure patients and coronary revascularisation in the elderly.	Mr R Shah (M)	
	Mr F Sogliani (M)	Cardiac surgery in renal failure patients and coronary revascularisation in the elderly.

CARDIO-THORACIC SU	RGERY
Dr R Venkateswaran (M)	Mitral valve surgery, minimal access aortic valve replacement, heart bypass and grafts, valve replacement surgery
Mr P Waterworth (M)	Coronary artery surgery, aortic and mitral valve replacement surgery, thoracic aortic aneurysms, aortic root replacement and repeat cardiac surgical procedures.
Mr J Zacharias (M)	Endoscopic valve surgery, mitral & tricuspid valve repair, septal myomectopy open & endoscopic, redo-cardiac surgery, total arterial bypass grafting and endoscopic vein harvesting.
CARDIOLOGY	
Dr A Abraheem (M)	General physician for all acute medical general problems including: blood pressure monitoring,cardiac monitoring,coronary angiography,echocardiography, implantation of permanent pacemakers, loop recorders and stress echocardiogram.
Dr A Ayub (M)	Arrhythmias, valvular abnormalities, cardiac pacing, management of heart failure and coronary artery disease.
Dr K Balachandran (M)	Coronary angioplasty, diagnostic cardiac catheterisation. Pacemaker implantation including: Biventricular pacing. Echocardiography, general cardiology (chest pain, heart failure, arrhythmias etc.), cardio-onclology.
Dr K Bratis (M)	General cardiology, cardiac MRI and cardiac CT.
Dr B Brown (M)	Complex ablation procedures.
Dr S Chowdhary (M)	Ischaemic heart disease, interventional cardiology, angioplasty (PCI), stenting, coronary angiography. General cardiology assessment including hypertension, SOB, palpitations and heart failure. Valve disease including TAVI implantation.
Professor B Clarke (M)	Coronary angiography, defibrillator implantation, interventional cardiology, pacemaker implantation and PFO closures.
Dr A Dhawan (M)	General cardiology and electro physiology.
Dr M El-Omar (M)	Acute coronary syndromes, complex coronary intervention, management of acute chronic heart failure.
Dr F Fath-Ordoubadi (M)	Coronary intervention (PCI), ischaemic heart disease, management of acute coronary syndrome.
Dr A Fitchet (M)	Arrhythmias and syncope, blackouts, cardiac pacing devices, ischaemic heart disease, valvular heart disease, heart failure, palpitations and arrhythmias, implantable defibrillators.
Dr D Fox (M)	Atrial fibrillation ablation, ablation of supraventricular tachycardia (SVT), ablation of ventricular tachycardia (VT), implantation of permanent pacemakers and defibrillators (ICDs).
Dr D Fraser (M)	Ambulatory blood pressure recording, ambulatory ECG, angioplasty, blood pressure testing, cardiac catherterisation, ECG, ECG recorder, echocardiogram, TAVI and aortic valve replacement.
Dr S Garg (M)	Angioplasty, cardiac catheterisation, cardiac stress testing and ECG.
Professor C Garratt (M)	Arrhythmias, catheter ablation, long QT syndromes, inherited sudden death syndromes, pacemakers and loop recorders.
Dr T Gray (M)	Ischaemic heart disease, coronary intervention (PTCA), coronary angiography, PCI and stenting, echocardiology, transoesophageal echocardiography and hypertension.
Dr M Hargreaves (M)	Coronary angiography, implantable cardioverter defibrillator(ICD)and single chamber pacemaker insertion. Reporting of echocardiography, trans-oesophageal echocardiography, transthoracic echocardiograph.
Professor A Heagerty (M)	Hypertension, high blood pressure and cardiovascular disease.
Dr E Holroyd (M)	Breathlessness, chest pain, palpitations, management of angina, valvular heart disease, cardiac arrhythmia, atrial fibrillation, hypertension and coronary artery disease.
Dr S Horner (M)	Clinical cardiology, echocardiography, hypertension & heart failure, cardiac pacing, invasive cardiology and general medicine.
Dr R Irwin (M)	Cardiac imaging, including advanced echocardiography (3D echo, transoesophageal echo, pharmacological/exercise-based stress echo), cardiac magnetic resource. Clinical interests: valvular disease, cardiomyopathy, heart failure, coronary disease.
Dr M Kahn (M)	Pacemaker implantation, biventricular pacemaker implantation(cardiac resynchronisation therapy),implantable cardiac defibrillator implantation, device generator changes, reveal LINQ recorder implantation, device interrogation, ECG, Echo, Stress Echo.
Dr F Keshavarzi (M)	Cardiac CT, coronary angiography, fractional flow reserve (FFR), interventional cardiology, reporting of echocardiography, stress echocardiography and transthoracic echocardiography.
Dr M Khalid (M)	Angioplasty, cardiac catheterisation, ambulatory ECG, cardiac stress testing and angioplasty.

CARDIOLOGY	
Dr A Khan (M)	Angina, hypertension, hypercholesterolaemia, coronary prevention, coronary risk assessment, cardiac imaging, heart failure and heart disease in women.
Dr A Khan (M)	Angioplasty, pacemakers and transoesophageal echocardiogram.
Mr K Khan (M)	Interventional cardiology / coronary stenting, coronary artery disease, pre non-cardiac surgery cardiovascular assessment. Assessment for all cardiac conditions including: chest pain, shortness of breath, palpitations and syncope.
Dr S Khan (M)	Arrhythmias, heart failure, valve disease. Device implantation includes pacemakers and implantable loop recorders. Internal/external defibrillator for AF. Transthoracic and transesophageal echocardiography.
Dr R Khattar (M)	Echocardiography, general cardiology, heart failure and invasive cardiology.
Dr E Ladusans (M)	Echocardiography, cardiac arrhythmias, interventional cardiology and inherited cardiac diseases.
Dr H Lee (M)	Ischaemic heart disease, invasive cardiology, hypertension and palpitations.
Dr R Levy (M)	Coronary artery disease, general cardiology and aortic valve disease/TAVI.
Dr P Lewis (M)	Clinical hypertension, resistant & secondary hypertension (hyperaldosteronism),cardiovascular prevention, heart failure, hypertension, a typical chest pain, breathlessness, cardio-respiratory disease and complex diagnostic dilemmas.
Dr S Little (M)	General cardiology, ischaemic heart disease, hypertension, arrhythmias and heart failure.
Dr M Luckie (M)	Echocardiography including stress & transoesophageal echo. Assessment of structural heart disease including valve disease and cardiomyopathy.
Dr A Macnab (F)	Coronary disease, echocardiography, mitral valve assessment, stress echocardiogram and valve disease.
Professor N Malik (M)	Coronary artery disease, heart failure, percutaneous intervention cardiology, simple arrhythmias, pacemaker and valve disease management.
Dr A Mann (M)	Covering all aspects of general cardiology with interest in coronary disease, rhythm disturbance, hypertension and syncope. Sub-speciality interest in cardiac imaging including cardiac CT, cardiac MRI and echocardiography.
Dr A Molajo (M)	Palpitations, chest pain/angina, breathlessness, blackouts, heart failure, valvular heart disease, echocardiography, cardiac catheterisation, bradycardia, biventricular pacemaker & ICD, atrial fibrillation & stroke risk.
Dr G Morris (M)	Heart rhythm disorders including: atrial fibrillation, palpitations, ablation for heart rhythm disorders, atrial fibrillation blackouts, pacemaker implantation, defibrillator implantation and arrhythmias in athletes.
Dr S Muhyaldeen (M)	Management of heart rhythm disturbances, ablation procedures for both conventional and complex cardiac arrhythmia's, implantation and pacemaker lead extractions.
Dr S Puri (M)	Coronary disease, cardiac pacing, heart failure and coronary angiography.
Professor S Ray (M)	Cardiomyopathy, heart valve disease and transoesophageal echocardiography.
Mr S Russell (M)	Heart failure, pacemaker, complex device implantation, pre-operative assessment for non-cardiac surgery, hypertension, heart rhythm disorders, angina, valvular heart disease, inherited cardiac conditions and blackouts.
Dr P Ruzicka (M)	Chest pain/angina, palpitations/heart rhythm problems, breathlessness/heart failure, procedures: ECG, treadmill test, ECG (Holter) & BP monitor, echo incl. TOE, tilt table test, coronary angiography, ILR and pacemaker implantation.
Dr J Sarma (M)	Angiography, cardiac valve disease, cardiovascular risk reduction, coronary artery disease, general and interventional cardiology, hypertension and keyhole cardiac procedures.
M Schmitt (M)	Speciality areas: Chest pain, angina and coronary artery assessment, percutaneous coronary intervention (angioplasty and stenting), hypertension & resistant hypertension and abnormal cholesterol.
Dr P Scott (M)	Cardiac pacing and complex cardiac devices, echocardiography, cardiac arrhythmias, coronary heart disease, ECG stress testing, heart failure, hypertension and palpations.
Dr S Shaw (M)	Heart failure, cardiomyopathy, transplantation and left ventricular assist devices.
Dr R Singh (M)	Angioplasty, cardiac catheterisation, pacemaker, echocardiography, heart failure, arrhythmias, hypertension and angina.
Dr J Swan (M)	Coronary angiograph, echocardiology, hypertension, interventional cardiology, ischaemic heart disease, pacing, PCI-stenting and TOE.
Dr S Williams (M)	Pacing, heart failure, hypertension and angiography.

	SUB SPECIALITY SPECIAL INTEREST
CARDIOLOGY	
Dr J Winter (M)	Angina, angioplasty, stenting, heart failure, palpitations, heart murmurs, hypertension and hyperlipidaemia.
CLINICAL NEUROPHYS	IOLOGY
Dr A Marshall (M)	Nerve conduction studies, electromyography for carpal tunnel syndrome, ulna neuropathies, peripheral neuropathies, muscle disorders and electromyographic guided botulinum toxin injections.
Dr R Ramdass (M)	Neuromuscular disorders, entrapment, neuropathy and peripheral neuropathy motor system disorders.
CLINICAL ONCOLOGY	
Dr A Chittalia (M)	Breast cancer, lung cancer, chemotherapy, radiotherapy and palliative radiotherapy.
Dr R Colaco (M)	Stereotactic radiosurgery, brain metastasis, primary brain tumours, oligometastatic disease, bone metastasis, stereotactic radiotherapy and proton therapy.
Dr J Hasan (M)	Gynaecological malignancies, colorectal and carcinoma of unknown primary.
Dr R Hubner (M)	Cancers of the oesophagus, stomach, pancreas, biliary tract, gallbladder, primary liver (hepatocellular carcinoma), and neuroendocrine system.
Mr V Misra (M)	Management of spinal cord compression and late effects of pelvic radiotherapy.
Dr G Wilson (M)	Breast cancer, gastrointestinal tract cancer, cancer unknown primary, ChemoSat, SIRT, liver tumours and liver directed therapy.
Dr D Woolf (M)	Breast cancer, lung cancer, radiotherapy, chemotherapy, hormone therapy (endocrine therapy), targeted therapy, stereotactic ablative radiotherapy (SABR)and intraoperative radiotherapy (IORT).
CLINICAL RADIOLOGY	
Dr G Anantha Krishnan (M)	Vascular radiology, interventional radiology, complex aortic, embolisation, complex peripheral vascular intervention, oncological intervention, uro-radiology, ultrasound, CT and MR of the urogenital system.
Professor W Bhatti (M)	Musculoskeletal, US, CT, MRI, joint injections.
Dr M Brochwicz-Lewinski (F)	Urogenital radiology (CT & MR) with particular interest in gynaecological MR, oncology & benign (esp endometriosis) and prostate MR scan with high volume reporting & experience in planning for targeted biopsy.
Dr A Counsell (M)	MSK Radiologist
Dr I Djoukhadar (M)	Neuroradiology
Dr S Gadde (F)	Breast imaging.
Dr S Greaves (F)	Chest, diaphragm screening, US, CT, MRI.
Dr A Gupta (M)	MSK Radiologist
Dr J Harris (M)	Musculoskeletal, arthrography, joint injections, US, CT, MRI, nuclear medicine.
Dr A Hattab (M)	Consultant tomorgraphy (CT), magnetic resonance (MRI) ultrasound, non vascular intervention: CT and ultrasound guided biopsy and drain insertion, urology and gastrointestinal intervention, special interest in urology and gastrointestinal radiology.
Dr R Hawkins (M)	Cardiac radiology, gastrointestinal radiology and uroradiology. cardiac CT and cardiac MRI.
Dr A Herwadkar (M)	Neuro, CT, MRI.
Dr S Jackson (F)	Muscolosketal radiologist with an interest in sports imaging. MRI scans, CT scans and X-rays. Sub-specialised ultrasound and image guided injections including arthrograms, hydrodilatations and steroid injections.
Dr A Kirwadi (M)	Comprehensive MSK imaging across all modalities, including both diagnostic and interventional facets; CT / ultrasound guided procedures including radio frequency ablation for osteoid osteoma
Dr P Konala (M)	Musculoskeletal radiology including sports imaging, soft tissue and bone tumour imaging. All musculoskeletal interventions including platelets rich plasma, steroids, cortisone, high volume saline injections and dry needling.
Dr R Laitt (M)	General neuroradiology, spinal imaging, head and neck imaging, orbital imaging.
Dr C Landes (F)	Extensive general expertise in all modalities of paediatric imaging, including ultrasound and plain films. Special interest in the imaging of the paediatric musculoskeletal system, including paediatric orthopaedics and rheumatology.
Dr S Lee (M)	GI, US, CT, MRI, gastrointestinal imaging, interventional radiology, pelvic floor, dysfunction and bariatric imaging.
Dr Y Lim (M)	Breast, US, CT, MRI.

CLINICAL RADIOLOGY	
Dr S Liong (F)	Gastrointestinal and gynaecological imaging.
Dr N Lynch (M)	General, uroradiology, US, CT, MRI and non-vascular intervention.
Dr R Magennis (F)	Musculosketal.
Dr R Mehan (M)	Musculoskeletal, US, CT, MRI, frozen shoulder hydro-dilatation. MRI and CT arthrography.
Mr M Mubashar (M)	Musculoskeletal, US, CT, MRI and image guided intervention procedures.
Dr V Nadarajah (M)	Clinical radiologist.
Dr P Norburn (M)	US, CT, MRI, MSK, respiratory medicine, ENT, lung, thyroid, prostate biopsy, FNA joint injections and tendon injections.
Dr N Porter (M)	Clinical radiologist.
Dr G Potter (F)	Neuro, CT and MRI.
Dr B Rajashanker (M)	General and oncology radiology, specialises in gynaecological radiology, abdominal CT/MR reporting, chest radiology, proficient in minimally invasive radiological procedure and lung ablation therapy.
Dr V Rudralingam (M)	General, GI, US, CT and MRI.
Dr C Soh (M)	Neuro, CT and MRI.
Dr A Sorani (M)	MSK radiologist.
Dr S Sukumar (M)	Gynaecology, pelvic, GI, US, CT and MRI.
Dr S Suut (M)	Diagnostic and Interventional Uro-Radiology and MR/CT/US/Fluoroscopy.
Dr A Tokala (M)	Abdominal imaging, liver, biliary and pancreatic imaging
Dr J Tuck (M)	Gynaecology radiology and intervention, with special interest in fibroid embolization (Uroradiology, diagnostic & interventional), Stone disease, urology cancer and radiological treatment of varicoceles. US, CT, MRI and intervention.
Dr K Uzoka (M)	Gastrointestinal and abdominopelvic radiology, hepatobiliary & pancreatic radiology and interventional radiology.
Dr T Williams (M)	Neuro, CT and MRI.
DERMATOLOGY	
Dr J Ashworth (M)	Digital skin cancer prevention, mole screening, skin cancer, acne and rosacea.
Dr V Ghura (M)	All types of skin cancer, skin cancer surgery, including facial surgery and Mohs surgery consultations, moles, lumps and bumps, cysts, lipomas, warts, eczema, psoriasis, acne and all types of rashes.
Dr T Kingston (M)	Hair, skin and nail disorders, dermatitis, skin tumours and skin cancer.
Dr J Lear (M)	Skin cancer and photodynamic therapy.
Dr N Telfer (M)	Micrographic surgery (Mohs/MMS) consultations, skin tumours and cancer.

Cardiology

We have a dedicated cardiology team offering services from investigation and diagnosis through to common and complex procedures, for both the heart and blood vessels.

We offer fast diagnosis and treatment to get your patient's heart back to the right beat.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*.

To refer your patient call

0808 101 0336

^{*}Terms and conditions apply. For more information please visit www.bmihealthcare.co.uk/paying-for-treatment

ENDOCRINOLOGY AND	DIABETES MELLITUS
Dr B Issa (M)	Endocrinology including thyroid, pituitary, adrenal, parathyroid disease and male and female reproductive endocrinology. Diabetes, including management of diabetes complications. Lipid disorders including hereditary causes of hyperlipidaemia.Obesity.
Dr T Kearney (F)	Pituitary disorders and tumours, head injury, haemorrhage induced failure, adrenal disorders and tumours, gynae-endocrinology, PCOS, menopause, PMT, thyroid dysfunction and masses, hypo/hyperparathyroidism, disorders of salt and water balance.
Miss J Moran (F)	Specialist dietician.
Professor J New (M)	Insulin pumps, continuous glucose monitoring, medical treatments to help weight loss, bariatric surgery and longer term follow up for nutritional deficiencies and use of CBT to help weight loss.
Mrs S Vickers (F)	Paediatric dietician:food allergy management, GOR, GP prescription advice (infant formula/supplements), coeliac disease, IBD Crohn's disease, failure to thrive, weaning problems, low FODMAP diet (IBS), mineral advice, weight management,pre/antenatal.
GASTROENTEROLOGY	
Dr A Abbasi (M)	Dyspepsia, motility disorder, irritable bowel syndrome, nutrition, iron deficiency anaemia, abdominal pain, diarrhoea inflammatory bowel disease, abnormal liver function tests, all aspects of liver disease, pancreatic disease, biliary disease.
Dr S Campbell (M)	Inflammatory bowel disease, gastroscopy, colonoscopy, polyp removal, capsule endoscopy, iron deficiency anaemia, coeliac disease, IBS, colon cancer, gastric cancer, oesophageal cancer, diarrhoea, constipation, haemorrhoids, GORD, food intolerance.
Mr D Donnelly (M)	Anal polyps, complex pilonidal sinus anorectal conditions, haemorrhoids, fissures, fistulas, hernias.
Mr S Galloway (M)	General surgery, gastrointestinal surgery, gall bladder, stomach and oesophagus, hernia, upper and lower gastrointestinal endoscopy.
Dr M Gangi (M)	Gastroscopy, colonoscopy, sigmoidoscopy, peptic ulcer disease, dyspepsia, inflammatory bowel disease, alcohol related liver disease, anaemia, coeliac disease, diarrhoea, liver disease.
Dr R Hammonds (M)	Endoscopy, general gastroenterology, pancreatic biliary medicine, bowel disease, liver disease, pancreatology, colon ERCP.
Dr R Jones (M)	Nutrition, inflammatory bowel disease, change in bowel habit, heartburn, abdominal pain, irritable bowel syndrome, iron deficiency anaemia, abnormal liver function tests.
Dr K Koss (M)	General gastroenterology and hepatology, bowel cancer screening, diagnostic and therapeutic endoscopy, food intolerance and IBS Gastro oesophageal reflux disease, liver disease and fibroscaning, inflammatory bowel disease, diarrhoea and constipation.
Dr Z Mahmood (M)	Inflammatory bowel disease (Crohn's and Colitis), gastro-oesophageal reflux disease, hepato-biliary and pancreatic diseases, irritable bowel syndrome, endoscopic procedures.
Dr A Makin (M)	Endoscopy, general gastroenterology, pancreato-biliary medicine, inflammatory bowel disease, liver disease, nutrition, pancreatology, colonoscopy, ERCP.
Dr V Patel (M)	Endoscopy, hepatobiliary, inflammatory bowel disease.
Dr A Saleem (M)	Inflammatory bowel diseases, dyspepsia, functional gut disorders, hepatology, general medicine, diagnostic and theraputic upper and lower GI endoscopy.
Professor C Summerton (M)	Gastroenterology, endoscopy, liver disease.
Dr G Watts (F)	Inflammatory bowel disease, Chrohn's disease, ulcerative colitis, general gastroenterology, bowel symptoms, diarrhoea, constipation, abdominal pain, dyspepsia, reflux, endoscopy, gastroscopy, colonoscopy, flexible sigmoidoscopy, polypectomy.
Professor P Whorwell (M)	Gastrointestinal disorders, irritable bowel syndrome, dyspepsia, bloating, biliary dyskinesia, non-cardiac chest pain, dietary management of functional gastrointestinal disorders.
Dr R Willert (M)	Nationally accredited endoscopist who specialises in the diagnosis and management of patients with digestive disorders of the oesophagus, stomach, small and large bowel and rectum.

Cancer Care

With access to a fast diagnosis, usually within 48 hours, and personalised treatment, our multidisciplinary team will support and care for your patients every step of the way.

We offer the reassurance of the full cancer pathway from screening and diagnosis through to specialist surgery, chemotherapy and aftercare.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*.

To refer your patient call

GENERAL (INTERNAL) I	MEDICINE
Dr T Cross (M)	Investigation of abnormal liver blood test, fibroscan, non-invasive assessment of liver damage, fatty liver disease, alcohol related liver disease, autoimmune liver disease, autoimmune hepatitis, primary biliary cholangitis.
Dr M Picton (M)	General nephrology.
GENERAL SURGERY	
Mr A Agwunobi (M)	Upper GI surgery, hernia surgery, hiatus hernia and acid reflux, inguinal and incisional hernia, gall stone diseases, gall bladder surgery, GI endoscopy, treatment of GI disorders, investigation of abdominal pain.
Professor K Akhtar (M)	Laparoscopic surgery, upper gastrointestinal surgery, gallstones, laparoscopic hernia repairs, upper and lower GI endoscopy, hiatus hernia, reflux diseases, Barretts oesophagus.
Mr A Al-Dabbagh (M)	Inguinal hernia surgery, post operative neuralgia, laparoscopic cholecystectomy, biliary gastritis.
Mr H Al-Khaffaf (M)	Pilonidal disease, removal of benign skin lesions, epigastric hernia, femoral hernia, hernia paraumbilical and umbilical, open incisional hernia, abdominal aortic aneurysm screening, varicose veins, sclerotheraphy, VNUS closure, EVAR, vascular.
Mr B Alkhaffaf (M)	Oesophageal cancer, gastric cancer, laparoscopic surgery, anti-reflux surgery, hiatus hernia, para-oesophageal hernia, achalasia surgery, gallstone disease, abdominal and inguinal hernia repair.
Mr M Borghol (M)	Removing benign skin lesion, laparoscopic cholecystectomy, hernia repair inguinal open, hernia repair paraumbilica and umbilical, hernia repair laparoscopic, hernia repair TEP laparoscopic. General paediatric surgery (ages 6-18).
Professor G Carlson (M)	Laparoscopy, colonoscopy, hernia repair (TAPP), haemorrhoidal artery ligation operation (HALO), surgery for benign scrotal lumps.
Mr F Curran (M)	Coloproctology, incontinence, pelvic floor, hernia, gallbladder surgery.
Miss J Darrien (F)	General surgery. Specialises in bariatric surgery.
Mr B Decadt (M)	Upper Gl surgery, weight loss surgery, gastric band, gastric bypass, mini gastric bypass, gastric sleeve, gastric balloon, anti-reflux surgery, hiatus hernia repair, laparoscopic cholecystectomy
Mr D Donnelly (M)	Anal polyps, complex pilonidal sinus anorectal conditions, haemorrhoids, fissures, fistulas, hernias.
Mr S Ellenbogen (M)	Breast screening and surgery, breast lumpectomy and laparoscopic surgery
Mr S Galloway (M)	General surgery, gastrointestinal surgery, gall bladder, stomach and oesophagus, hernia, upper and lower gastrointestinal endoscopy.
Mr P Goldsmith (M)	Gastro-oesophageal reflux disease (GORD), reflux, dyspepsia, hiatus hernia, laparoscopic fundoplication, LINX, oesophageal dysmotility, achalasia, laparoscopic Heller's myotomy, gallstones, laparoscopic cholecystectomy, hernia removal surgery.
Mr B Hornung (M)	Rectal bleeding, altered bowel habit, lumps and bumps, haemorrhoids, HALO, anal conditions, hernia surgery, colonoscopy, gastroscopy, laparoscopic surgery, cholecystectomy, diverticular disease, colorectal cancer, inflammatory bowel disease.
Dr M Javed (M)	Cosmetic and reconstructive breast surgery, liposculpture and body contouring, skin cancer and benign skin lesions surgery.
Professor D Kerrigan (M)	Specialist laparoscopic bariatric surgeon. Gastric bypass, sleeve gastrectomy, band, duodenal switch, SADIS, balloon and complex revisional surgery for weight regain or post-surgical complications.
Mr A Khan (M)	General surgery, colorectal surgery, haemorrhoidal surgery, THD, HALO, hernia surgery, sports, femoral, incision hernia, cholecystectomy, gastroscopy, colonoscopy, gallstones, Chrohns and ulcerative anal tissue and fistula.
Mr A Li (M)	Oesophageal and gastric (upper Gl) cancer. Weight loss and obesity surgery. Reflux, heartburn, Barrett's oesophagus, hiatus hernia and LINX. Gallstones and gallbladder disease, all types of hernia.
Mr C Macutkiewicz (M)	Gallstones, bile duct stones, pancreas tumours, pancreatic cysts, liver tumours, liver cysts, advanced laparoscopic surgery, groin hernias, inguinal hernias, umbilical hernias, laparoscopic hernia repair, investigation of abdominal pains, lipoma.
Professor S ODwyer (F)	Colorectal surgery, inflammatory bowel disease, pelvic, colorectal, peritoneal and anal cancers.
Mr S Rai (M)	Treatment for haemorrhoids (piles),anal fissures and fistulas, laparoscopic ('key-hole') surgery for groin, abdominal and incisional hernias, gall stones, diverticular disease and Inflammatory bowel disease, colon and rectal cancer, prolapse surgery.
Mr A Ramesh (M)	Abdominal pain, laparoscopic surgery, colorectal cancer, gallstones, laparoscopic cholecystectomy, hernias, haemorrhoids, piles, rectal bleeding, constipation, loose stools, colonoscopy, gastroscopy, endoscopy, lumps, bumps, colitis, bowel problems.

GENERAL SURGERY	
Mr M Sadat (M)	Colorectal cancer, inflammatory and diverticular bowel disease, pelvic floor disorder, haemorrhoids, anal fissure, fistula in ano, pilonidal sinus, colonoscopy and gastroscopy, laparoscopic cholecystectomy, laparoscopic hernia, emergency surgery.
Mr M Saeed (M)	Surgery for bowel cancer, inflammatory bowel disease, colonoscopy, gastroscopy, haemorrhoids (HALO), Rafaelo procedure, fissures, pilonidal sinus, keyhole hernia surgery and sportsman's hernia, gallbladder surgery, lumps and bumps, Rafaelo.
Mr T Satyadas (M)	Gallbladder surgery, gallstone disease, jaundice, bile duct stones, keyhole hernia and sports hernia surgery, incisional hernia, complex liver disease, pancreatic disease, liver and pancreatic resections, primary and secondary liver cancer.
Professor C Selvasekar (M)	Colorectal surgery, PR bleeding, colonic cancer.
Professor S Senapati (M)	Expertise in primary and revisional bariatric surgery; including sleeve gastrectomy, laparoscopic gastric bypass, gastric banding, etc.
Mr A Sharma (M)	Laparoscopic surgery for bowel cancer / polyps, Crohn's disease, colitis, gall bladder, hernia, pelvic floor surgery, management of faecal incontinence, sacral nerve stimulation, rectal prolapse, haemorrhoids, fistula surgery.
Professor A Sheen (M)	Upper GI, liver disease, pancreas, gallbladder and biliary tree, laparoscopic surgery, hernia, sports groin injuries.
Mr J Sultan (M)	Keyhole surgery, general surgery, hernia, gallstones, anti-reflux surgery, oesophago-gastric surgery (bengin, reflux, disorders of swallowing and cancer), oesophageal physiology studies (BRAVO), weight loss surgery, gastric balloon.
Mr I Welch (M)	Gall bladder and hernia surgery, laparoscopic surgery, general surgery, gastrointestinal endoscopy.
Mr N de' Liguori-Carino (M)	Hernia surgery, laparoscopic surgery, general surgery, hepato-pancreato bilary surgery.
GERIATRIC MEDICINE	
Dr K Dizayee (M)	Stroke medicine, diabetes in older people, geriatric medicine.
Dr A Greenstein (M)	Care of the elderly, hypertension, cardiovascular disease, memory loss.
HAEMATOLOGY	
Dr C Barnes (F)	General haematology.
Dr A Bloor (M)	Haemato-Oncology with special interest in CLL, lymphoma and stem cell transplantation. Accepts referrals for all haematological malignancies (leukaemia, myeloma, lymphoma) and for general haematology advice.
Dr M Gharib (M)	General haematology, paediatric haematology.
Dr M Haj (M)	General haematology, anti-coagulation, haematoncology.
IMMUNOLOGY	
Dr R Sargur (M)	Allergies, food allergy, severe hayfever, drug allergy, insect sting allergy, immune deficiency, management of problems with the immune system, urticaria , angioedema

General Surgery

Our General Surgeons treat an extensive range of conditions including hernias, haemorrhoids and gall stones.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*.

To refer your patient call

0808 101 0336

^{*}Terms and conditions apply. For more information please visit www.bmihealthcare.co.uk/ paying-for-treatment

NEUROLOGY	
Dr M Kellett (M)	Neurology, movement disorders, epilepsy, Parkinson's disease.
Dr R MacDonagh (M)	Nerve conduction studies, electromyography, single fibre EMG, electroencephalography and evoked potentials, common entrapment neuropathies, carpal tunnel syndrome, cubital tunnel syndrome, peripheral neuropathies, radiculopathies.
Mr C Murphy (M)	All aspects of general neurology including acute neurology, headaches, multiple sclerosis and related disorders, epilepsy, sensory disorders, movement disorders, sleep medicine, Restless Legs Syndrome.
Mr M Roberts (M)	Neuromuscular disease, general neurology.
Dr S Schumacher (M)	Headache, migraine (botox treatment), multiple sclerosis, Parkinson's disease, movement disorders, head trauma, neck pain, seizures and losses of consciousness, nerve pain, unclear sensory symptoms, muscle diseases (Myasthenia).
Dr J Sussman (M)	General neurology, disorders of nervous system, myasthenia gravis, neurological complications of systemic disease.
NEUROSURGERY	
Mr S Bukhari (M)	General neurosurgery, spinal neurosurgery, epilepsy and intractable pain
Mr P D'Urso	Brain tumours/cysts,low grade glioma,glioblastoma,meningioma,hydrocephalus,chiari malformation,degenerative spine disease,low back pain,cervical/lumbar disc protrusion,awake craniotomies,5-ALA tumour resection,ventriculo-peirtoneal shunt,discectomy
Mr K George (M)	Minimally invasive spinal surgery, cancer of the spine.
Mr K Gnanalingham (M)	General neurosurgery, spinal surgery, minimally invasive surgery, brain tumours, pituitary disorders, spinal tumours, disc prolapse, spinal instrumentation, head injury, hydrocephalus, shunts, endoscopy.
Mr J Holland (M)	Vascular surgery, spinal surgery.
Mr V Josan (M)	Degenerative spine, back pain, lumbar disc prolapse, cervical disc prolapse, neck pain, brain tumours, paediatric neurosurgery, epilepsy surgery, hydrocephalus, chiari malformation
Professor A King (M)	Spinal neurosurgery, general neurosurgery, skull based neurosurgery, trigeminal neuralgia.
Mr J Leach (M)	Spinal surgery including back and leg pain, neck and arm pain, discectomy, disc replacement and spinal fusion. Cervical spine, brain and spine tumour.
Mr J Leggate (M)	Pituitary tumours, vascular neurosurgery, spinal neurosurgery.
Mr H Patel (M)	Concussion, sports concussion.
Mr O Pathmanaban (M)	Skull base / pituitary surgery and general brain and spine surgery. The latest minimally invasive techniques, as well as traditional open surgery.
Mr S Rutherford (M)	Spinal surgery, skull base surgery, acoustic neuromas, vestibular schwannomas, meningiomas, trigeminal neuralgia, cervical and lumbar disc surgery, cervical spondylosis, lumbar spine disorders, neurofibromatosis type 2.
Mr A Saxena (M)	Cranio-cervical junction abnormalities, degenerative spinal conditions, spinal tumours, congenital abnormalities, decompression, fusion and laparoscopic lumbar disc removal, minimally invasive spine surgery, navigated spine surgery.
NUCLEAR MEDICINE	
Dr P Arumugam (M)	Nuclear cardiology (perfusion and viability assessment) and adult general nuclear medicine.
Dr S Muthu (M)	Oncology, nuclear cardiology and therapy.
Dr M Prescott (F)	General nuclear medicine, nuclear cardiology, position emission, tomography, nuclear medicine, renal nuclear medicine.
OBSTETRICS AND GYN	IAECOLOGY
Mrs A Ahluwalia (F)	General gynaecology, colposcopy, laparoscopic and hysteroscopic surgery, prolapse, incontinence surgery, infertility treatment
Dr G Busby (F)	General gynaecology, laparoscopy, hysteroscopy, prolapse repair, menopause, endometriosis, uterine fibroids, ovarian cysts.
Mr R Clayton (M)	Colposcopy, general gynaecology, laparoscopic surgery, gynaecological oncology, endometriosis, menstrual disorders, vulval disorders.
Mr E Edi-Osagie (M)	Laparoscopic and hysteroscopic surgery, infertility, endometriosis, complications of early pregnancy.

abnormal bleeding, prolapse surgery, ovarian cysts. Mr G Scott (M) Benign gynaecology, hystersocpy, lapacocopy, medical and surgical treatment of menorrhagia (heavy periods) Dr M Self (M) Female endocrinology, pelvic reconstructive surgery, endoscopic surgery, female reproductive and assert reproduction, outpatient management of endoscopy and imaging, menopause, hormone replacement therapy. Mr N Shahid (M) Laparoscopic surgery for prolapse/incontinence, laparoscopic sacrocolpopexy, sacrohysteropexy, urodynamic test vaginal tape procedures, colposuspension, intravesical botox, out-patient hysteroscopic techniques, minitouch abitation colposcopy. Mr R Slade (M) Routine & abnormal smear, colposcopy, cervical/endometrial/ovarian/vulval cancer, endometriosis, abdominal pa & bloating, post-menopausal bleeding, prolapse, vaginal hysterectomy & repair, fibroids, vaginal & intermenstrual bleeding, menopause Mr A Watson (M) Vulval pain, pelvic pain, colposcopy, keyhole surgery for period problems. OPHTHALMOLOGY Dr J Ashworth (F) General and specialised paediatric ophthalmology, strabismus (squint), amblyopia (lazy eye), childhood cataract, genetic eye disease, retinal disease in children, neuro-metabolic disease, uveitin inclidren, neuro-ophthalmology, service eye disease, retinal disease in children, neuro-metabolic disease, uveitin children, neuro-ophthalmology, cosis surgery, ectropion, entronpion, watery eyes, blocked tear ducts (DCR), eye socket problems, forbital disease) eye prosis surgery, ectropion, entronpion, watery eyes, blocked tear ducts (DCR), eye socket problems, forbital disease) eye prosis surgery, etchnal mology, cataract surgery, external eye disease, strabismus, squint, lazy eye, amblyopia, Mr S Hancock (M) OCT, FFA, ICG, FAF, colour fundus and wide field imaging of the retina and optic nerve. Mr S Clark (M)	Facial trauma, facial deformity, maxillofacial surgery and oral surgery.
Mr C Crawford (M)	Specialises in pain management medicine.
Mr C Katre (M)	Facial reconstructive surgery, head / neck surgical oncology, facial skin cancer, salivary gland disease, microvascular reconstructive surgery, facial/dental implant rehabilitation, facial trauma / scar revision, bone graft.
Mr M Patel (M)	Salivary gland surgery, dentoalveolar surgery, implants, head and neck oncology, facial pain, medico-legal.
Dr H Petersen (F)	Exposure / surgical removal of teeth, orthodontic treatment, tongue tie release, removal of teeth / roots / wisdom teeth, cysts of the jaws, ulcers and lichen planus, facial pain, adult and paediatric oral surgery
ORTHOPTICS	
Mr V Dwarampudi (M)	Diagnosis of ocular conditions related to strabismus, diplopia and visual deficit and neuro-ophthalmology.
Dr T Sanderson (F)	Paediatrics and adult strabismus, amblyopia, double vision, eye movements disorders, visual field assessment, squint, lazy eye, thyroid eye disease, abnormalities of binocular vision, visual assessment of children.
OTOLARYNGOLOGY	
Mr N Bateman (M)	Paediatric ENT including tonsillitis, snoring, ear infections and hearing loss, intracapsular tonsillectomy, prominent ears and pinnaplasty surgery.
Mr R Bhalla (M)	Cosmetic rhinoplasty, sinus surgery, cerebrospinal fluid, leakage, meningocoele, bone abnormalities, tumours of the skull base.
Mr A Birzgalis (M)	General ENT, sinus disease, throat problems, paediatric ENT.
Dr A Camilleri (M)	Cosmetic rhinoplasty, middle ear surgery, facial plastics, rhinosinusitis, children's ENT, hearing loss.
Mr A El-Kholy (M)	Nasal plastic surgery (32 years experience of open and closed rhinoplasty), balloon and endoscopic sinus surgery, ear surgery including: cosmetic head and neck surgery, paediatric ENT surgery, snoring, teaching of GPs, medical and nursing students.
Mr J Goswamy (M)	Adult and paediatric ENT, head and neck cancer, thyroid surgery, airway surgery, salivary gland problems, swallowing difficulty, voice disorders, sinusitis, tonsillitis, grommets, neck lumps, difficulty breathing, snoring, laser surgery, skin cancer.
Professor J Homer (M)	Thyroid surgery; neck lumps; head and neck tumour surgery; rhinoplasty; voice, ear, nose and throat problems; swallowing problems.
Mr Y Karagama (M)	Professional voice disorders, sinus problems, ear problems, hearing loss, throat problems, neck lumps, children's ENT conditions, general ENT.
Professor S Lloyd (M)	Adult and paediatric ENT, hearing problems, ear disease, balance disturbance, tinnitus, cochlear implantation, skull base surgery, nasal disease, sinus disease, snoring, voice problems.
Mr C Lobo (M)	Ear correction, nose reshaping, endoscopic sinus surgery.
Mr S Loughran (M)	Thyroid and parathyroid surgery, neck lumps, head and neck cancer, throat problems, paediatric (children's) ENT, general ENT.
Mr P Murthy (M)	Adenotonsillar disease, middle ear disease, dysphonia, epistaxis, neck lumps, thyroglossal cysts, branchial cysts, lymph node swellings, sinonasal disease, endoscopic sinus surgery, pinnaplasty
Mr G Narasimhan (M)	ENT surgery
Mr Y Saleem (M)	Rhinology, sinus surgery, nasal allergy, snoring, sleep apnoea, paediatric ENT special interest in the diagnosis and treatment of snoring and sleep apnoea. Apneagraph sleep study which identifies the level of obstruction before any surgery.

Paediatrics

Our paediatric team provides specialist advice, diagnosis and treatment for a range of conditions for children and young people. Our consultants and nurses are caring and friendly, helping to make both children and parents feel safe and at ease.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*

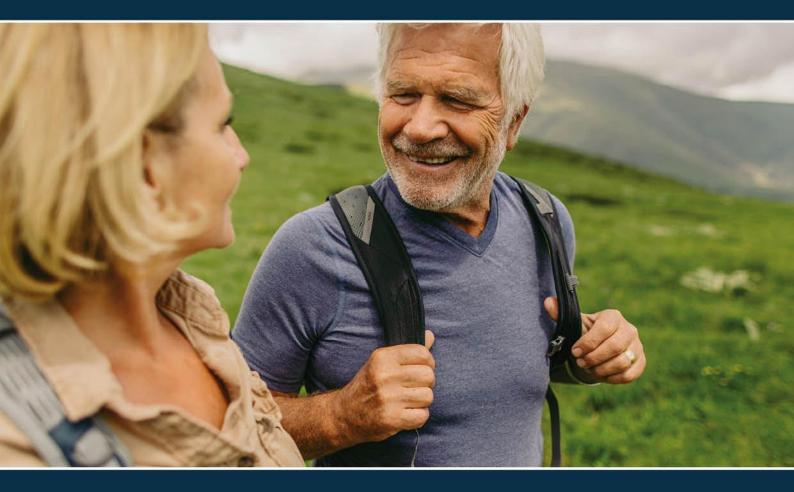

To refer your patient call

^{*}Terms and conditions apply. For more information please visit www.bmihealthcare.co.uk/ paying-for-treatment

CONSOLITATION LEGITLEST	SOB STEEMENT OF ECINE INTEREST
PAEDIATRIC SURGERY	
Mr M Cervellione (M)	Paediatric urology.
Ms A Goyal (F)	Paediatric urology, bladder disorders, recurrent UTI, hypospadias, foreskin problems, circumcision, inguinal herniam, undescended testis.
PAEDIATRICS	
Dr E Baildam (F)	Diagnosis and management of paediatric and adolescent rheumatic conditions, juvenile idiopathic arthritis, musculoskeletal pain, hypermobility and associated conditions eg Ehlers Danlos syndrome, back pain, chronic pain management,childhood vasculit.
Dr C Bernstein (M)	General paediatrics and allergy: food allergies/intolerances, asthma, eczema/rashes, hay fever, constipation/diarrhoea, growth and feeding concerns, reflux, abdominal pain, urine infections, headaches, fits, faints/funny turns, recurrent infection.
Dr R Bhatia (M)	General paediatrics, ADHD, autism, aspergers, speech and development delays, behavioural paediatrics.
Mr M Borghol (M)	Removing benign skin lesion, laparoscopic cholecystectomy, hernia repair inguinal open, hernia repair paraumbilical and umbilical, hernia repair laparoscopic, hernia repair TEP laparoscopic. General paediatric surgery (ages 6-18).
Dr G Busby (F)	General gynaecology, laparoscopy, hysteroscopy, prolapse repair, menopause, endometriosis, uterine fibroids, ovarian cysts.
Dr I Doughty (M)	General paediatrics: fever, constipation, headache, abdominal pain, other aches and pains, asthma, chest infections, recurrent infections, growth and weight development.
Dr A Fagbemi (M)	Paediatric gastroenterology, inflammatory bowel disease, Crohn's disease, ulcerative colitis, upper GI dysmotility disorders, wireless capsule endoscopy, food allergy, nutrition and chronic constipation.
Dr A Jobling (F)	General paediatrics, respiratory complaints, feeding problems, gastrointestinal reflux and abdominal pain, ADHD and behavioural problems, developmental and growth issues, cystic fibrosis.
Dr E Ladusans (M)	Echocardiography, cardiac arrhythmias, interventional cardiology and inherited cardiac diseases.
Dr A Maitra (M)	Paediactric respiratory medicine, bronchoscopy, lung function testing.
Dr O Narayan (M)	Respitratory and allergies in paediatrics, chronic cough, recurrent / persistent wheezing, asthma, noisy breathing, recurrent/persistent pneumonia, tuberculosis, cystic fibrosis, sleep disorders, bronchoscopy,lung functions,diagnostic lung imaging.
Dr G Nassar (M)	Diagnostic and rehabilitative audiology in adults and children, complex adult assessments, hearing aids, tinnitus management, medico-legal testing and reports, musicians' noise protection, microsuction, wax removal and authorised lyric centre.
Mr M Patel (M)	Salivary gland surgery, dentoalveolar surgery, implants, head and neck oncology, facial pain, medico-legal.
Dr R Singh (M)	Special interest in Paediatric neurology, epilepsy, childhood headaches.
Mrs S Vickers (F)	Paediatric dietician:food allergy management, GOR, GP prescription advice (infant formula/supplements), coeliac disease, IBD Crohn's disease, failure to thrive, weaning problems, low FODMAP diet (IBS), mineral advice, weight management,pre/antenatal.
PALLIATIVE MEDICINE	
Dr A Ahamed (M)	Cancer treatment, palliative medicine.
Mr R Berman (M)	Supportive care for cancer treatment, specialist pain and symptom control, palliative care, care in advancing disease.
PLASTIC SURGERY	
Mr S Ataullah (M)	Cosmetic eyelid surgery: upper eyelid lift/lower,eyelid bag removal(blepharoplasty),brow lifts,upper lifts,upper eyelid ptosis surgery,ectropion,entronpion,watery eyes,blocked tear ducts(DCR),eye socket problems,(orbital disease)eye removal surgery.
Mr H Ayub (M)	Skin cancer and reconstruction, scar revisions, cosmetic surgery including: body jet liposuction, body sculpting, breast enlargement / reduction/ uplift, gynaecomastia, ear correction, eyelid surgery, fat transfer, labiaplasty, tummy tuck, facelift.
Mr C Duff (M)	Plastic surgery, reconstructive surgery, aesthetic surgery.
Mrs R Holt (F)	Breast reconstruction, implant reconstruction, pre-pectoral implant reconstruction, microsurgical breast reconstruction (DIEP flap, TRAM flap, TUG flap,skin-sparing mastectomy,nipple-sparing mastectomy, risk-reducing mastectomy,non-melanoma skin.
Professor V Lees (F)	Cosmetic surgery, general cosmetic treatments, scar revision, cosmetic mole removal, birthmarks, skin cancers, developmental breast anomalies, reconstructive surgery, microsurgery, complex wounds.

PLASTIC SURGERY	
PLASTIC SURGERT	
Miss S O'Ceallaigh (F)	Breast reconstruction, cosmetic breast surgery and body contouring surgery, labial reconstruction and labiaplasty.
	Facial aesthetics, breast rejuvenation surgery, body contouring surgery, skin, breast, head and neck oncology, reconstruction surgery.
Mr S Wilson (M)	Breast reconstruction, hand surgery, cosmetic surgery, rhinoplasty.
	Cosmetic surgery of the face, body and breasts; hand and upper limb surgery; limb reconstruction and general plastic surgery
PSYCHOTHERAPY	
Dr M Ferrer (F)	Clinical psychology, family therapist, child development
RESPIRATORY MEDICIN	ie E
	All aspects of respiratory disease, investigation of cough and breathlessness, diagnosis and management of asthma/allergy, COPD, pneumonia / bronchiectasis and TB, lung fibrosis, DVT/PE and lung/pleural cancer including interventional bronchoscopy.
9	COPD, asthma, bronchiectasis and lung infections, PE, pulmonary hypertension, interstitial lung disease, occupational lung disease (including asbestos disease), unexplained breathlessness, lung volume reduction treatments, chronic cough.
Dr C Hardy (M)	Asthma, lung cancer, interstitial lung disease to include occupational, COPD, general medicine.
	Asthma, COPD, pneumonia, lung disease, breathlessness, Interstitial lung disease, pulmonary embolism, bronchiectasis.
Dr C Payne (M)	General medicine, respiratory medicine.
	Lung cancer,troublesome cough,breathlessness,rib pain, pleurisy, chest infections,pneumonia, bronchiectasis, pulmonary fibrosis, tuberculosis sarcoidosis, DVT, pulmonary embolism, chronic fatigue syndrome,allergy,immunology,asthma,asbestos exposure.
,	Respiratory allergy,asthma,undiagnosed / complex breathlessness,exercise induced breathlessness,breathing pattern disorder / dysfunctional breathing,vocal cord dysfunction (inducible laryngeal obstruction),chronic cough,COPD,lung infections
Professor A Woodcock (M)	Asthma, COPD, cough, sleep apnoea.
RHEUMATOLOGY	
Dr R Bernstein (M)	Arthritis, autoimmune disease, vasculitis, pain syndrome, general rheumatology, general medicine.
Dr H Chinoy (M)	General rheumatology, musculoskeletal pain, pain syndromes, fibromyalgia, back pain, osteoarthritis, muscle disease, rheumatoid arthritis, spondylarthritis, psoriatic arthritis, connective tissue disease, soft tissue rheumatism, osteoporosis.
	Inflammatory joint disease, osteoporosis, mechanical musculoskeletal medicine, gout, osteoarthropathies, joint pains, tennis/golfers elbow, carpel tunnel syndrome, connective tissue disease.
` '	Osteoporosis, Paget's disease, metabolic bone disease, osteoarthritis, vasculitis, fibromyalgia and chronic fatigue syndrome.
Dr B Pal (M)	Telemedicine, osteoporosis, carpal tunnel syndrome, EMG.
SPEECH AND LANGUAG	GE THERAPY
	Speech pathology and therapy for both adults and paediatrics, stammering, stuttering, elective mutism, hoarse / strained voice, transgender voice, speech impediments.
Miss S Durant (F)	Speech and language therapy
SPORTS AND EXERCISE	MEDICINE
	Sports medicine, knee pain, back pain, hamstring strains, achilles, patellofemoral pain, patella tendinopathy, football / rugby and athletic injuries, MRI, ultrasound, shoulder, shin splints, ankle, tiredness and fatigue in athletes.

Orthopaedics

With us, your patients will be at the centre of care with personalised treatment to help optimise their recovery.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*.

To refer your patient call

0808 101 0336

TRAUMA AND ORTHO	PAEDICS SURGERY
Mr F Ali (M)	Limb lengthening, deformity correction, hip dysplasias, paediatric hip pathologies, neuromuscular problems, sports injuries, trauma.
Mr S Anand (M)	Sports injuries, arthritis of the knee, arthroscopic surgery, cruciate ligament reconstruction, cartilage regeneration techniques, stem cell therapies, meniscal replacement.
Mr F Attar (M)	Lower limb arthroplasty, knee reconstruction surgery, knee joint preservation surgery, sports and knee ligament injuries, knee cartilage injuries, bespoke patient specific knee replacements.
Mr M Bari (M)	Knee arthroscopy, ACL reconstruction, cartilage repair, partial knee replacement, knee replacement, hip replacement.
Mr B Barkatali (M)	Knee surgery. Stem cell, biological, and knee preservation. Cartilage regeneration, knee and hip replacement, sports knee surgery, ACL, meniscal repair, patellar instability, multi-ligament reconstruction, limb realignment (HTO).
Mr S Barton (M)	ACL / PCL / MCL / PLC reconstruction, meniscal repair, quadriceps, patella tendon reconstruction,patella instability.
Mr G Batra (M)	Hip replacement, hip arthroscopy, revision hip replacement, soft tissue hip treatments, knee replacement, knee arthroscopy, ligament reconstruction, partial knee replacement
Professor T Board (M)	Hip arthroplasty, revision hip arthroplasty, conservative hip surgery, hip arthroscopy, sports hip injuries, young adult hip problems, knee arthroplasty, revision knee arthroplasty.
Mr J Borrill (M)	Arthroscopic and reconstructive knee surgery, ligament reconstruction, chondral resurfacing, osteotomy, primary hip and knee replacement, revision knee replacement.
Mr U Butt (M)	Shoulder surgery, elbow surgery, trauma
Mr T Clough (M)	Ankle arthroscopy, rheumatoid foot and ankle, bunions, sports injuries.
Mr R Dalal (M)	Foot and ankle surgery, achilles disorders, sports injuries.
Professor H Dashti (M)	Orthopaedic spine surgery, spinal surgery, sciatica, cervical spine, back pain, neck pain, paediatric spine surgery including scoliosis and kyphosis, paediatric back pain, slipped discs.
Mr A Ebizie (M)	Orthopaedic surgery of the foot and ankle, paediatric orthopaedics, complex reconstructive lower limb trauma.
Mr D Ellis (M)	Lower limb orthopaedics, joint replacement surgery, trauma surgery.
Professor M Fehily (M)	Hip impingement and hip arthroscopy, cartilage repair and stem cell therapy, groin pain, groin injuries, the young hip, arthritis, rehabilitation, sports injuries.
Mr A Fitzgerald (M)	Special interest in nerve disorders, in the arm and hand including carpal and cubital tunnel syndrome. Specialist training in the use of injections in the management of Dupuytren's disease.
Miss A Fox (F)	Sports injuries, bunion surgery, revision forefoot surgery, joint replacement, achilles tendon disorders – tendinopathy and ruptures, heel pain, ankle arthroscopy (key hole surgery), cartilage defects, neuromas, ingrowing toenails, arthritis.
Mr S Ghalayini (M)	Total hip replacement, primary and revision total knee replacement, primary and revision arthroscopy of the knee.
Mr I Gill (M)	ACL reconstruction, computer assisted navigation total knee replacement, hip injection treatment, hip replacement, hip revision, knee arthroscopy, knee injuries, knee replacement, partial knee replacement, revision knee replacement, signature knee.
Miss L Hajipour (F)	Wrist fractures fixation, osteoarthritis, wrist deformity correction, wrist arthroscopy, wrist ligament reconstruction, carpal tunnel syndrome, cubital tunnel syndrome, dupuytren's disease treatment, trigger finger, ganglions.
Dr M Hakimi (M)	Non-surgical treatment of hip and knee pain, including PRP injections. Hip replacement, knee replacement, revision hip and knee surgery, knee arthroscopy, complex trauma.
Mr A Hoad-Reddick (M)	Sports related hip problems, hip arthroscopy, knee arthroscopy, knee replacement, hip debirdement surgery, total hip replacement, knee arthroscopy, robotic assisted knee replacement.
Mr N Hyder (M)	Carpal tunnel syndrome,trigger finger,Dupuytren's Contracture,rheumatoid arthritis,osteoarthritis of fingers and thumb,ganglion surgery,scaphoid fractures,mucous cyst,mallet injury,ligament injuries and wrist arthroscopy,fractures of wrist and hand
Mr A Ismail (M)	Sports injuries, hip and knee replacement and revision surgery, ACL reconstruction, meniscal surgery, adolescent knee problems, hip arthroscopy, trauma.
Mr W Jamil (M)	Total / partial knee replacement, sports injuries, knee arthroscopy / surgery, meniscal repair, meniscal debridement, cartilage injuries, ACL reconstruction, ligament reconstruction, patient specific chondral resurfacing, injections, hip replacement.

TRAUMA AND ORTHOPAEDICS SURGERY		
Professor S Jari (M)	Early OA biological treatments incl. stem cell & hyaluronic injections,robotic assisted total & partial knee replacements,sports injuries,knee arthroscopy,ACL & knee ligament reconstructions,cartilage regeneration surgery,patella re-alignment surgery	
Mr J Jarratt (M)	ACL reconstruction, complex knee ligament reconstruction, hip injection treatment, hip replacement, knee arthroscopy, knee injuries, knee replacement, osteotomy, partial knee replacement, revision knee replacement, custom made knee replacement.	
Mr D Johnson (M)	Knee injury assessment, knee surgery including arthroscopy, ligament reconstruction, realignment surgery, total, unicompartmental and revision knee surgery.	
Mr V Kapoor (M)	Spinal surgery, minimally invasive spinal surgery, vertebroplasty, non-fusion techniques for back pain, neck pain, cervical spine surgery, adult spinal deformity surgery, spinal injections.	
Mr M Karski (M)	Foot conditions, ankle conditions, toe surgery, ankle replacement, sports injuries of the foot and ankle.	
Mr N Kenny (M)	Lower limb surgery specialising in: acute and overuse sporting injuries, lower limb fractures,lower limb soft tissue injuries,knee ligament injuries,articular surface injuries to the knee,arthroscopic surgery to the knee,total hip & knee replacements	
Mr S Kershaw (M)	Hip replacement, knee replacement, knee arthroscopy, foot and ankle surgery.	
Mr A Khunda (M)	Limb reconstruction surgery; managing deformity; joint preserving knee surgery through re-alignment (osteotomy); hip and knee replacements for patients with advanced arthritis, infection and complex injuries	
Mr W Kim (M)	Hip & knee specialist. Pioneered robotic assisted knee & partial knee replacements in the North of England. First to complete both robotic assisted hip & knee replacements in the North West of England. Performs hip/knee arthroscopy and ACL surgery.	
Mr A Kumar (M)	Lower limb surgery, hip and knee replacements, sports injury clinic, knee arthroscopy, hip arthroscopy, surgery for patello-femoral disorder (Mr Arun Kumar).	
Mr A Kumar (M)	Hip and knee surgeon. Specialises in: complex hip and knee replacements, including partial knee replacements and knee arthroscopy for meniscal / cartilage conditions, benign and malignant soft tissue lumps. (Mr Amit Kumar)	
Mr D Lang (M)	Knee pain, knee injuries, knee ligament reconstruction, knee joint replacement, arthroscopic knee surgery, hip surgery, hip Replacement, patella stabilisation, cartilage regeneration, sports injuries.	
Mr S Lipscombe (M)	Hand/wrist surgery including nerve disorders (carpal tunnel syndrome and ulnar nerve procedures,Dupuytren's disease,hand & wrist arthritis (replacement and fusion surgery),hand swellings,trigger digit,scaphoid non-union&hand fractures,tendon surgery	
Mr T Mahmud (M)	Soft tissue knee injury, anterior cruciate ligament reconstruction, robotic partial and total knee replacement, arthroscopic knee surgery, joint preservation surgery, orthobiologic injections,meniscal surgery,minimally-invasive total hip replacement.	
Mr I McLaughlin-Symon (M)	Degenerative conditions of hand and wrist, small joint replacement surgery, sports injuries, wrist arthroscopy, ligament reconstruction, Dupuytren's, nerve disorders of hand/wrist/elbow, tendon surgery	
Mr R Mohan	Primary hip and knee replacement, minimally invasive hip replacement, knee arthroscopy.	
Mr P Monga (M)	Shoulder pain, shoulder injuries, sports shoulder surgery, arthroscopic shoulder surgery, shoulder replacements.	
Mr S Morapudi (M)	Primary, complex primary and revision knee replacement, primary / complex and revision hip replacement, osteotomy around the knee (re-alignment), joint injections, knee arthroscopic procedures.	
Mr B Morgan (M)	Arthroscopic shoulder surgery, shoulder and elbow arthroplasty, rotator cuff disease, shoulder instability, arthritic conditions of the shoulder and elbow, sports injuries.	
Mr S Morgan (M)	Reconstruction of cavus feet, bunion surgery, foot and ankle arthritis, ankle arthroscopy, complex reconstruction of flat foot deformity, correction of lesser toes deformities	
Mr S Naim (M)	Arthroscopic surgery of the knee, primary and revision ACL reconstruction, cartilage surgery, osteotomy/realignment procedures around the knee, partial knee replacement/patellofemoral replacement, primary and revision knee/hip replacement.	
Mr Z Naqui (M)	Hand and wrist: fractures and sports injuries, ganglions, carpal tunnel syndrome, trigger finger, Dupuytren's disease cubital tunnel & ulnar nerve, arthritis and joint replacement, wrist pain & arthroscopy, tendon inflammation, injections for pain.	
Mr M OConnor (M)	Primary hip replacement, complex primary hip surgery including those following previous trauma, or following childhood hip conditions. Revision hip surgery and investigation and treatment of failing metal on metal hip replacements.	

TRAUMA AND ORTHOPAEDICS SURGERY		
Mr R Parkinson (M)	Knee surgery, knee replacement, total and unicompartmental, revision knee replacement including for infection, knee arthroscopy, ligament recocstruction including anterior cruciate ligament, patella stabilisation, hip replacement.	
Mr A Paul (M)	Sarcoma, cancer, hand surgery	
Professor C Peach (M)	Shoulder surgery, elbow surgery, joint replacement surgery, PRP injections, arthroscopic surgery, trauma surgery, rotator cuff surgery, impingement surgery, shoulder dislocations, frozen shoulder treatment, sports injuries, tennis elbow.	
Mr P Phaltankar (M)	Knee surgery, knee arthroscopy, sports knee injury, knee cartilage / ligament injury, cruciate ligament reconstruction, total / partial knee replacement, hip surgery, total hip replacement, hip injection, knee injection.	
Mr N Phillips (M)	Shoulder complaints, elbow complaints, arthritis, sports injuries, tendonitis, dislocations and instability, rotator cuff tears, impingement, ACJ pain, ACJ injuries, clavicle fractures, shoulder fractures, elbow fractures, tennis elbow.	
Mr A Pillai (M)	Foot, ankle, trauma, sports injury.	
Mr N Prasad (M)	Shoulder surgery, elbow surgery.	
Mr P Rao (M)	Back pain, sciatica, lumbar disc prolapse, degenerative disc disease, minimally invasive spinal surgery, spinal fusion, neck pain, arm pain,cervical disc prolapse, cervical fusion, disc replacement, infection, fractures, vertebroplasty, osteoporosis.	
Mr M Ravenscroft (M)	Arthroscopic and open shoulder surgery, shoulder instability and rotator disease, arthritic conditions of the shoulder and elbow, sports injuries.	
Mrs J Rutherford-Davies (F)	Sports and reconstructive knee surgery.	
Mr W Ryan (M)	Knee replacement, revision knee replacement, knee ligament injury, ACL, PCL, MCL, meniscus surgery, arthroscopy, osteotomy, partial knee replacement, custom knee replacement, children's knee problems.	
Mr R Samarji (M)	Lower limb surgery, foot surgery, ankle surgery, knee surgery, hip surgery, hand surgery.	
Mr D Sandher (M)	Shoulder surgery, elbow surgery, general trauma, upper limb surgery, keyhole surgery, joint replacement, rotator cuff surgery, shoulder and elbow instability, shoulder impingement, frozen shoulder treatment, tennis elbow, golfers elbow.	
Mr R Seagger (M)	Shoulder and elbow surgery, shoulder decompression, shoulder dislocation and stabilisation, impingement, rotator cuff repair, frozen shoulder surgery	
Mr N Shah	Hip and knee replacement surgery (Mr Numan Shah).	
Mr N Shah (M)	Hand / wrist / shoulder surgery, elbow surgery, shoulder pain, rotator cuff repairs, frozen shoulder, shoulder impingement, shoulder replacement, carpal tunnel, trigger finger, Dupuytren's, upper limb fractures, upper limb arthritis (Nasir Shah).	
Mr S Shah (M)	Hip and knee replacement, hip and knee surgery, adult hip problems, hip impingement and hip arthroscopic surgery, knee arthroscopy, trauma.	
Mr P Sharma (M)	ACL reconstruction, bunion surgery, cartilage operation, hip injection treatment, hip replacement surgery, knee arthroscopy, osteotomy surgery, partial knee replacement surgery, revision knee replacement.	
Mr G Shepard (M)	Hip Replacement, knee replacement, partial knee replacement, biological knee surgery, knee injections, joint injections, stem cell treatments, joint preservation surgery, osteotomy, realignment surgery	
Mr A Shoaib (M)	Foot and ankle surgery, keyhole bunion surgery, keyhole ankle surgery, hammer toes, forefoot pain, achilles tendon problems.	
Mr P Sian (M)	Back / spinal surgery, pain management injections for back and facet joints, degenerative conditions, spinal tumours.	
Mr I Siddique (M)	Spinal disorders, degenerative disease, deformity, trauma, tumours.	
Mr H Sugathan (M)	Fellowship trained orthopaedic consultant with special interest in foot and ankle surgery. Areas of interest: bunions, foot and ankle arthritis, ankle arthroscopy, sports injuries, flat foot.	
Mr R Suneja (M)	Foot and ankle surgery, sport medicine, sports injuries, knee surgery.	
Mr T Syed (M)	Lower limb surgery - Foot and ankle surgery; sports surgery; fractures / trauma; ankle sprain; achilles tendon; forefoot, mid foot and hind foot surgery; MIS (Minimally Invasive Surgery).	
Mr A Tambe (M)	Spinal surgery i.e. degenerative lumbar / cervical pathology, scoliosis, tumours, trauma and infections. Specialist interest is adolescent spinal deformity correction, MIS/XLIF/OLIF surgery where indicated.	

TRAUMA AND ORTHO	PAEDICS SURGERY
Mr R Thalava (M)	General trauma, lower limb arthroplasty, arthroscopic surgery.
Professor P Turner (M)	Knee surgery, arthroscopic surgery, ligament reconstruction, cartilage repair, osteotomy, minimally invasive unicompartmental knee replacement, total knee replacement and revision knee replacement.
Mr M Waseem (M)	Key hole surgery: shoulder,elbow,wrist. Joint replacements: shoulder,elbow,wrist. Hand trauma,surgery/tendon repairs,sports injuries for upper limb, tennis/golfers elbow, nerve release surgery, platelet rich plasma, Dupuytren's.
Professor A Watts (M)	Specialist elbow and upper limb surgeon with interest in: sports injuries, stiff elbow, elbow instability, tennis elbow and hand / wrist problems. Expertise in keyhole techniques in the elbow and joint replacement.
Mr N Yasin (M)	Trauma of the spine including traumatic neck injuries and osteoporotic fractures, spinal deformity including scoliosis and kyphosis, degenerative conditions of the spine, neck and back pain including surgical as well as non-surgical treatments, cancer.
UROLOGY	
Mr A Adeyoju (M)	Lower urinary tract symptoms, haematuria, urinary tract stones. Rezum treatment for enlarged prostate.
Mr S Bromage (M)	General urology, urological cancer, renal disease.
Mr R Brough (M)	Urological cancer, prostate cancer, raised PSA, laser prostate surgery.
Mr S Brown (M)	Prostate cancer, female urology, incontinence, endourology, minimally invasive therapy, laser surgery.
Mr D Burke (M)	Specialist interest in minimally invasive surgery. Particular interest in the diagnosis and active surveillance of prostate cancer, with the use of MRI scanning MRI fusion and template trans-perineal prostate biopsies.
Mr G Collins (M)	BPH, erectile dysfunction, PSA interpretation, prostatic disease, haematuria, stone disease. Subspeciality: urological oncology particularly prostate and bladder cancer.
Professor B Grey (M)	Urinary tract stone disease, endourology, andrology, erectile dysfunction, men's health, general urology including cancer diagnostics, haematuria, benign prostate disorders, lower urinary tract symptoms, urine infections (UTI).
Mr A Jain (M)	Endourology, laparoscopic urology, stone disease, prostate disorders and BPH.
Mr S Maddineni (M)	General urology, urological cancer, prostate problems and PSA investigation.
Mr V Modgil (M)	Gen urol,erectile dysfunction(penile implants),peyronies disease, male infertility, penile reconstruction (re-do circumcision, penis unburying) – vasectomy, vasectomy reversal, varicocele treatment, micro-surgical testicular sperm extraction (mTESE).
Mr A Mohee (M)	All aspects of urology and has a sub speciality interest in cancer (bladder, kidney, prostate and testis). Well published in various aspects of urological practice (erectile dysfunction, premature ejaculation, urinary incontinence, urinary infections
Professor I Pearce (M)	Female urology, incontinence, andrology, benign prostate disorders, general urology and erectile dysfunction.
Mr V Ramani (M)	Urological cancers, prostatism, prostate cancer, bladder cancer, renal cancer, benign cancer and general urology.
Mr A Sinclair (M)	Urinary symptoms, loin pain, incontinence, andrology including erectile dysfunction, haematuria, urinary tract infection, raised PSA levels, urethral reconstruction, scrotal pathology, upper tract laparoscopy, urological cancer.
Mr V Tang (M)	General urology, urological cancer and robotic surgery.
Mr J Young (M)	Endourology, urinary tract stone disease and minimally invasive surgery.
VASCULAR SURGERY	
Mr J Ghosh (M)	Varicose veins, peripheral vascular disease, aortic aneurysm, carotid disease and hyperhidrosis.
Mr D Murray (M)	Varicose veins, recurrent varicose veins, DVT, peripheral vascular disease, aortic aneurysms AAA and thoracic aneurysms, carotid artery disease and stroke surgery.
Mr M Onwudike (M)	Vascular surgery in general including varicose veins, aortic aneurysm, blocked arteries, circulation problems, hyperhidrosis (excessive sweating of palms and armpits), carotid endarterectomy (stroke prevention surgery), leg ulcers & thoracic outlet.
Mr T Rashid (M)	Varicose veins, diabetic foot disease, peripheral vascular disease, leg ulcers, DVT, carotid artery disease and aortic aneurysms.
Mr S Richardson (M)	Varicose veins, carotid surgery, aortic aneurysm surgery, endovascular repair, lower and upper limb bypass, peripheral vascular disease and deep vein thrombosis.
Mr M Welch (M)	Varicose veins, especially recurrence; aortic aneurysms, carotid disease, peripheral vascular disease, leg pain with circulation trouble, leg swelling and leg ulceration.

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients to a BMI Healthcare hospital. We offer three routes for referral including a freephone number, secure email address and fax number.

Our Hotline advisers are trained to receive dictation from you and issue a referral letter on behalf of your practice. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for an appointment with the chosen consultant.

EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS

Provide your patient with a printed referral letter
