## The Clementine Churchill Hospital is part of the Circle Health Group, the UK's largest provider of independent healthcare

At Circle Health Group, we have 53 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to highly specialised consultants. The Clementine Churchill Hospital has access to some of the latest technology and equipment, including:

- 24 consulting rooms
- 5 operating theatres - 4 with laminar flow
- 6 bedded level III ICU
- Minor procedures unit
- Diagnostic imaging: X-Ray and Ultrasound, MRI, digital mammography
- JAG accredited endoscopy suite
- Onsite pharmacy
- Onsite pathology lab
- Physiotherapy, hydrotherapy pool, Gait scanning equipment, spacious gym
- CT, nuclear medicine, Spec CT
- Dedicated Paediatrics ward

Circle Health Group is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*During the period of January to December 2022, The Clementine Churchill Hospital received 4,663 Inpatient/day case patient surveys.

# General medical admissions

Help your patients to get back on their feet. We will assist them on their road to recovery, whether they need specialist treatment, or simply rest and recuperation.

We offer 24-hour general admissions, providing around-the-clock care for a broad range of health problems.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free\*

# Paediatrics

Our paediatric team provides specialist advice, diagnosis, and treatment for a range of conditions affecting children and young people including surgery for over three's.

Our consultants and children's nurses are friendly and compassionate, helping make both children and parents feel safe and at ease.

Having worked with many autistic patients, The Clementine Churchill Hospital is proud

to say that we are the first private provider to be awarded with the Autism Inclusion Award by the National Autistic Society.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free\*
