Harbour Hospital is part of Circle Health Group, the UK's largest provider of independent healthcare

At Circle Health Group, we have 53 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to highly specialised consultants. Harbour Hospital also has access to some of the latest technology and equipment, including:

- 8 Consulting rooms
- 3 Operating theatres
- 30 bedrooms
- Comprehensive physiotherapy department
- Diagnostic imaging centre: X-ray, Ultrasound, CT, MRI
- Cancer care centre
- Orthopaedic surgery
- Ophthalmology (eye clinic)
- Spinal surgery
- Cosmetic surgery
- Dermatology
- ENT surgery
- Endoscopy
- Eye surgery
- General surgery
- Gynaecology
- Haematology
- Oral and maxillofacial surgery

Circle Health Group is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training, and exceptionally high standards of cleaning.

During the period of January to December 2022, Harbour Hospital received 1,329 completed Inpatient / Day Case patient surveys

Cancer care

With access to a fast diagnosis and personalised treatment plans, our multidisciplinary team will support your patients every step of the way throughout their journey in living with cancer.

We offer the reassurance of the full cancer pathway, from screening and diagnosis through to specialist surgery, chemotherapy, and aftercare.

Your patients can use their private medical insurance or pay for their own treatment. They can even spread the cost interest-free*
