Three Shires Hospital

Part of Circle Health Group

99.3%

Patients said their overall experience of our service was **good or very good**

98.9%

Patients said the quality of their care was **very good or excellent**

99.3%

Patients said their overall experience of the nursing care was **very good or excellent**

We are proud of our patient care and work hard to make each patient's time with us as pleasant as possible. Our patient satisfaction survey is an important indicator of how well we achieve this and we monitor the results very closely.

Three Shires Hospital is part of Circle Health Group, the UK's largest provider of independent healthcare

At Circle Health Group we have 54 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over two million outpatient visits a year. Our aim is to provide the highest standards in all aspects of patient treatment and care, and to maintain our position as the UK's Leading Private Hospital Group. At Three Shires Hospital we are helping to achieve this through a combination of clinical excellence, a patient centred approach to care and easy access to both high quality equipment and expert consultants. Our facilities and services include:

- 14 consulting rooms
- 49 patient rooms with en suite facilities
- 3 operating theatres with laminar flow ultra-clean air systems
- Minor procedures room
- JAG accredited endoscopy suite
- Diagnostics centre with MRI, CT, X-ray and ultrasound
- Macmillan accredited oncology suite
- Physiotherapy suite with gymnasium, gait scanner and shockwave therapy
- Specialist physiotherapy services including: women's and men's health, hand therapy, neurophysiotherapy, pain injection therapy and sports physio
- Mole mapping
- On-site pharmacy

Circle Health Group is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*During the period of January to December 2022, The Three Shires Hospital received 2,125 Inpatient/day case patient surveys.

ALLERGY		
Dr R Baretto (M)	Immune deficiency, allergy: food, aeroallergens, latex, bee and wasp venom, drug chronic urticaria and angioedema, hereditary angioedema, primary immune deficiency	University Hospitals Coventry And Warwickshire
ANAESTHETICS		
Dr U Chakka (M)	Pain management, axial spine pain; fibromyalgia, post-surgical pain, neuropathic pain, CRPS and other pain conditions, X ray/ultrasound guided interventions including facet and SIJ injections and radio frequency; epidurals and nerve root blocks	University Hospitals Coventry And Warwickshire
Dr Y Mehrez (M)	Pain: Back, neck, thoracic, leg, joint injections, sacroiliac & discogenic, epidural, joint pain, fibromyalgia, CRPS, myofascial pain syndrome, coccydynia, cancer pain, neuropathic pain, post herpetic & trigeminal neuralgia, radiofrequency treatments	Milton Keynes University Hospital Foundation
Dr N Mulla (M)	Musculoskeletal pain management, interventional pain management, chronic pelvic pain management, cancer pain management, post surgical pain management	Bedfordshire Hospitals Foundation
Dr M Murali-Krishnan (M)	Chronic pain management, cancer pain management, neuropathic pain management, interventional pain management, regional anaesthesia, anaesthesia, medico-legal work in pain management	Northampton General Hospital
AUDIOLOGY		
Mr M Griffiths	Audiology, adult assessment, tinnitus, retraining therapy, hyperacusis retraining, autism, balance assessment, rehabilitation, hearing aid assessment/rehabilitation, commercial hearing aids	Private
Mr J Lungley	Audiometry, tympanometry, tinnitus - hyperacusis, vestibular testing, ear impressions	Private
BREAST SURGERY		
Mr J Dawson	Breast surgery, oncoplastic breast surgery, gynaecomastia surgery, breast reconstruction, breast reduction, reduction mammoplasty, hernia repair - open/laparoscopic, TEP hernia repair, groin hernia	Northampton General Hospital
CARDIOLOGY		
Dr D Cox (M)	General/invasive cardiologist; angina/chest pain management, blood pressure, heart failure, breathlessness, heart rhythm disturbance	Northampton General Hospital
Dr M Pedersen (F)	Electrophysiology, arrhythmias, atrial fibrillation, heart palpitations, heart rhythm disturbance, breathlessness	Northampton General Hospital
Dr R Prasad (F)	Heart failure, cardiac pacing, cardiac resynchronisation therapy, CRT, HISS pacing, implantable cardioverter defibrillator, ICD, palpitations, breathlessness, heart valve disease, chest pain, atrial fibrillation	Kettering General Hospital
Dr P Raju (M)	Coronary angioplasty, coronary angiogram, treatment of complex coronary disease, heart failure, palpitations, atrial fibrillation, arrhythmias	Kettering General Hospital
CLINICAL ONCOLOGY		
Dr R Agarwal (M)	Colorectal cancer, gynaecological cancer, cancers of unknown primary origin	Northampton General Hospital
Dr A Aleksic	Breast and thoracic malignancies, oligometastatic disease, breast cancer, lung cancer, stereotactic body radiotherapy (SABR), targeted therapy	Northampton General Hospital
Professor H El-Deeb (M)	GI, lung, head, neck, brain tumours	Northampton General Hospital
Dr G Faust (M)	Urological, germ cell, malignant melanoma and skin cancers	University Hospitals Of Leicester
Dr C Knighton (M)	Clinical oncology, breast cancer, lung cancer, brain cancer, neurological cancer, skin cancer, head and neck cancer, thyroid cancer	Northampton General Hospital
Professor C Macmillan (M)	Breast cancer, chemotherapy, radiotherapy and biological treatments	Private

CLINICAL RADIOLOGY

Dr G Alluvada (M)	Interventional, vascular, hepatobiliary and general imaging	Northampton General Hospital
Dr A Bisset (F)	General and paediatric imaging	Northampton General Hospital
Dr S Dixon (M)	General, neuro imaging including stroke and head and neck imaging	Northampton General Hospital
Dr C Hardingham (M)	musculoskeletal radiology - diagnostic and interventional	Milton Keynes University Hospital Foundation
Dr H Lyall (M)	MSK Interventional radiologist	Northampton General Hospital
Dr S McDonald (M)	Musculoskeletal radiology, musculoskeletal ultrasound, musculoskeletal MRI, musculoskeletal interventional procedures	Cambridge University Hospitals Foundation
Dr H Mehta (M)	Specialist in adult brain and spine imaging using CT and MRI, x-ray, spinal interventional procedures, vertebroplasty, myelograms and lumbar punctures	University Hospitals Coventry And Warwickshire
Dr V Sudhakar (M)	General and uro-radiology	Northampton General Hospital
Dr V Sukumar (M)	General, gynae imaging and cardiac imaging	Northampton General Hospital
Dr D Thomas (M)	General, interventional, cardiac CT and vascular imaging	Northampton General Hospital

DERMATOLOGY

Miss S Ashraff	Plastic surgeon with special interest in dermatological procedures; skin lesions, lumps and bumps, scar revisions, aesthetics, carpal tunnel syndrome	Private
Dr B Salako (M)	General dermatology, eczema, psoriasis, acne, skin cancers, benign skin lesions, skin surgery, hair loss, nail problems and laser treatment in adults/children, skin surgery, photodermatology, phototherapy	Northampton General Hospital
Dr P Woo (F)	Skin cancer, skin surgery, psoriasis, eczema/dermatitis, acne, rosacea, skin allergies, skin pigmentation, excessive sweating, skin boils & abscesses, veins on the skin, female genital skin conditions, hair & nail conditions	Northampton General Hospital

ENDOCRINOLOGY AND DIABETES MELLITUS

Dr M Humayun (M)	Endocrinologist and diabetologist, general physician, hormonal disorders, thyroid dysfunction, sexual dysfunction, hypertension, electrolyte imbalance, disorders of calcium, vitamin D and bone metabolism, obesity, diabetes management, insulin pump	Milton Keynes University Hospital Foundation
------------------	---	--

GASTROENTEROLOGY

Dr S Bajwa (M)	Dyspepsia, reflux symptoms including heartburn, anaemia, bowel cancer screening, inflammatory bowel diseases (Crohns, ulcerative colitis, microscopic colitis), gastroscopy, colonoscopy, abnormal liver tests.	Northampton General Hospital
Dr I Khan (M)	Endoscopy, IBD/abdominal pain, liver disease, GI cancer, coeliac disease	Northampton General Hospital
Dr P Sherwood (M)	Dyspepsia, gastro-oesophageal reflux disease, helicobacter, IBS, IBD, hepatitis B and C, abnormal liver function tests, chronic abdominal pain, narcotic bowel syndrome	Northampton General Hospital
Dr E Shmueli (M)	Ulcerative colitis, crohn's disease, IBS, liver disease, dyspepsia	Northampton General Hospital
Dr T Thomas (M)	Gastro therapeutic endoscopy, upper and lower GI procedures, irritable bowel disorders, Barretts oesophagus, Crohns/colitis	Northampton General Hospital

Mr C Von Widekind	Period problems including pelvic pain, endometriosis, fibroids, polyps, postmenopausal problems, gynaecological ultrasound, laparoscopic hysterectomy, laparoscopic subtotal hysterectomy, LASH/LSH	Northampton General Hospital

Support is one call away

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients to a Circle Health Group hospital. We offer three routes for referral, including a freephone number, secure email address, and fax number.

Our Hotline advisers are trained to receive dictation from you and issue a referral letter on behalf of your practice. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for an appointment with the chosen consultant.

Easy one step referrals to Circle Health Group hospitals

Provide your patient with a printed referral letter

or

Call our Referral Hotline*
