Shelburne Hospitals

# DIRECTORY OF CONSULTANTS 2021

BMI The Chiltern & Shelburne Hospitals

BMI THE CHILTERN and THE SHELBURNE hospitals are part of Circle Health Group, the UK's largest provider of independent healthcare\*

At Circle Health Group, we have 53 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to highly specialised consultants. BMI The Chiltern and Shelburne Hospitals also have access to some of the latest technology and equipment, including:

- ✓ 24 Consulting Rooms
- ✓ JAG Accredited Endoscopy Suite
- ✓ 6 operating theatres (4 with laminar flow)
- ✓ Oncology Unit
- ✓ Physiotherapy Department including hydrotherapy pool
- ✓ Minor operations and clinical area
- ✓ On site pathology
- ✓ CT
- ✓ MRI
- ✓ Digital mammography
- ✓ Ultrasound
- ✓ X-ray
- ✓ DEXA (bone density scanning)
- ✓ Treetops Children's Unit

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA Bacteraemia and Clostridium Difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

PLEASE NOTE - where consultants appear in two sections of this Directory they are unlikely to be on the Specialist Register for both specialties. If you wish to check which is their primary specialty please contact us on [lynne.devlin@bmihealthcare.co.uk](mailto:lynne.devlin@bmihealthcare.co.uk) and we will respond directly to you.

Our surgeons use only Consultant Anaesthetists many of whom specialise in certain areas of anaesthesia.

## SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients to a BMI Healthcare hospital. We offer three routes for referral including a freephone number, secure email address and fax number.

Our Hotline advisers are trained to receive dictation from you and issue a referral letter on behalf of your practice. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for an appointment with the chosen consultant.
