BMI THE BEAUMONT HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have 54 hospitals and healthcare facilities nationwide. Throughout these locations, we treat nearly 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Beaumont Hospital also has access to some of the latest technology and equipment, including:

- ✓ 10 consulting rooms
- ✓ 20 en-suite single bedrooms
- ✓ 2 operating theatres with laminar flow
- ✓ Physiotherapy suite (including AlterG and gait scanning)
- ✓ Minor theatre for endoscopy procedures and local anaesthetics
- ✓ Pharmacy
- ✓ Ambulatory care suite
- ✓ Diagnostic imaging suite (including MRI, x-ray, fluoroscopy, ultrasound and mobile CT scanning)
- ✓ Planned new outpatient minor procedures unit
- ✓ Access to digital mammography via the BMI Healthcare network

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Nov 2019. **Expectation figures based on patients rating 'met/exceeded' of a sample of 125 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 1,24 completing a questionnaire Oct 2018 - Sep 2019. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 2,253 completing a questionnaire Oct 2018 - Sep 2019. ****Friends and Family recommendation figures based on 2,264 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2018 - Sep 2019. Questionnaires analysed by Quality Health, an independent survey provider.
