

## **BMI St Edmunds Hospital**

### ***Introduction***

Consultants are critical to each BMI Healthcare hospital. However in common with most private healthcare operators, BMI Healthcare does not employ these consultants. Instead, consultants working in our hospitals are essentially self-employed practitioners who see and treat patients at our hospitals under the terms of our 'credentialing' or 'practising privileges' policy.

It is important that we are transparent about our relationship with our consultants and therefore via our corporate webpages and below, we have set out some of the ways in which we work together.

### ***Higher Value Services***

Consultants are charged £20 per hour for using consulting rooms at this hospital, except in relation to NHS patients.

### ***Lower Value Services***

We provide a number of support services to our consultants, for which we do not make a charge. Further details are provided via our corporate webpages.

### ***General Corporate Hospitality***

At this hospital, we provide general corporate hospitality as detailed via our corporate webpages.

### ***Financial Interests***

Anglia Medical Musculoskeletal (led by Dr David O'Reilly, Consultant Physician and Rheumatologist) uses (and pays a fee for using) an area at the hospital for the provision of bone density (DXA) scans to patients.

### ***Services Arrangements***

There are no consultants holding part-time positions at our hospital.

### ***Questions***

Should you have any further questions in this area, please contact us by email at [company.secretary@bmihealthcare.co.uk](mailto:company.secretary@bmihealthcare.co.uk).
