

BMI The Edgbaston Hospital

Introduction

Consultants are critical to each BMI Healthcare hospital. However in common with most private healthcare operators, BMI Healthcare does not employ these consultants. Instead, consultants working in our hospitals are essentially self-employed practitioners who see and treat patients at our hospitals under the terms of our 'credentialing' or 'practising privileges' policy.

It is important that we are transparent about our relationship with our consultants and therefore via our main website and below, we have set out some of the ways in which we work together.

Higher Value Services

Consultants are charged £25 per hour for using consulting rooms at this hospital, and £7.90 (plus VAT) per half hour for using our medical secretarial services, except in relation to NHS patients.

We charge £250 for each non-BMI medical secretary using space at the hospital, inclusive of any telephone charges. Postage charges are additional.

Lower Value Services

We provide a number of support services to our consultants, for which we do not make a charge. Further details are provided via our main website.

General Corporate Hospitality

At this hospital, we provide general corporate hospitality as detailed via our main website.

Financial Interests

Many of the consultants at BMI The Edgbaston Hospital also practice at BMI The Priory Hospital; please therefore also see the information provided via the BMI The Priory Hospital webpage regarding consultants with financial interests. Other than those disclosed via that webpage, there are no other consultants with financial interests in equipment used or services and facilities operated within or at our hospital.

Services Arrangements

There are no consultants holding part-time positions at our hospital.

Questions

Should you have any further questions in this area, please contact us by email at company.secretary@bmihealthcare.co.uk.
