

## **BMI Syon Clinic**

### ***Introduction***

Consultants are critical to each BMI Healthcare hospital and clinic. However in common with most private healthcare operators, BMI Healthcare does not employ these consultants. Instead, consultants working in our hospitals and clinics are essentially self-employed practitioners who see and treat patients at our hospitals and clinics under the terms of our 'credentialing' or 'practising privileges' policy.

It is important that we are transparent about our relationship with our consultants and therefore via our main website and below, we have set out some of the ways in which we work together.

### ***Higher Value Services***

Consultants are charged £18 per hour for using consulting rooms at Syon Clinic, except in relation to NHS patients.

### ***Lower Value Services***

We provide a number of support services to our consultants, for which we do not make a charge. Further details are provided via our main website.

### ***General Corporate Hospitality***

At this clinic, we provide general corporate hospitality as detailed via our main website.

### ***Financial Interests***

Professor Nicola Maffulli, Consultant Orthopaedic Surgeon, owns a shockwave machine. Syon Clinic pays a charge for using this.

BMI Syon Clinic is a joint venture (BMI Syon Clinic Limited) between a BMI group company (General Healthcare Holdings (3) Limited) and Sentosa UK Limited, owned 90%:10% of the financial interests in BMI Syon Clinic Limited respectively, with Sentosa UK Limited also owning a preference share in the same.

Consultant/GP shareholders in Sentosa UK Limited are Jaspal Kooner, Davinderpal Kooner, Brian O'Connor, Henri Thuau, Jay Arnold, Kailash Desai, Kalpesh Patel, Mike Irani, Rajiv Vashist, Sanjiv Agarwal, Alan Kohn, Awad Awaad, Farhad Aref, Navin Thakrar, Shorheh Beski, Sunil Mayor, and Vikram Bhatt, and there is a property lease between BMI Syon Clinic Limited and Sentosa UK Limited for part of BMI Syon Clinic. Professor Jaspal Kooner, Professor of Clinical Cardiology, owns the cardiology service at BMI Syon Clinic.

Negotiations are ongoing between BMI Healthcare, Sentosa UK Limited and Professor Kooner to ensure the arrangements between them are compliant with the terms of the Competition & Markets Authority Private Healthcare Market investigation Order 2014.

### ***Services Arrangements***

There are no consultants holding part-time positions at our clinic, although Professor Kooner is a director of BMI Syon Clinic Limited.
