DIRECTORY OF CONSULTANTS 2019

BMI Goring Hall Hospital

BMI GORING HALL HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI Goring Hall Hospital also has access to some of the latest technology and equipment including:

Specialist Diagnostic Services:

- ✓ CT Scanning
- ✓ Digital X-Ray
- ✓ Digital Mammography
- ✓ Ultrasound
- ✓ MRI Scanning
- ✓ Physiotherapy

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2018. **Expectation figures based on patients rating 'met/exceeded' of a sample of 1204 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 1774 completing a questionnaire Oct 2017 - Sep 2018. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 3085 completing a questionnaire Oct 2017 - Sep 2018. ****Friends and Family recommendation figures based on 3160 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.
