# DIRECTORY OF CONSULTANTS 2019

BMI Kings Park Hospital

## BMI KINGS PARK HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare\*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI Kings Park Hospital also has access to some of the latest technology and equipment, including:

- ✓ Comprehensive diagnostic imaging department offering x-ray and ultrasound
- ✓ Rooms offering the privacy and comfort of ensuite facilities, TV, telephone and WIFI
- ✓ Two operating theatres with laminar flow ultra clean air system
- ✓ Full physiotherapy suite including sports injury clinic
- ✓ Four consulting rooms
- ✓ Endoscopy department
- ✓ Ophthalmic room
- ✓ Minor procedure room

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*Based on the number of hospitals/treatment centres within the UK - Sep 2018. \*\*Expectation figures based on patients rating 'met' or 'exceeded' of a sample of 206 and nursing figures based on patients rating 'excellent' or 'very satisfied' of a sample of 309 completing a questionnaire Oct 2017 - Sep 2018. \*\*\*Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 81 completing a questionnaire Oct 2017 - Sep 2018. \*\*\*\*Friends and Family recommendation figures based on 78 patients saying that they are 'extremely likely' or 'likely' to recommend the hospital to friends and family Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.

Expectations

**96.6%**

met or exceeded\*\*

Nursing care

**93.4%**

satisfaction\*\*

Overall quality

**95.1%**

of care satisfaction\*\*\*

92.3% of our patients say that they would recommend the hospital to friends and family\*\*\*\*
