DIRECTORY OF CONSULTANTS 2019

BMI Sarum Hospital

BMI SARUM ROAD HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI Sarum Road Hospital has been rated overall 'GOOD' by the CQC and has access to some of the latest technology and equipment, including:

- ✓ 48 beds with all rooms offering the privacy and comfort of en-suite facilities, satellite TV, telephone and Wi-Fi
- ✓ 10 consulting rooms
- ✓ Physiotherapy and gym
- ✓ 2 laminar flow operating theatres
- ✓ Enhanced recovery
- ✓ Minor operations
- ✓ Diagnostic imaging
- ✓ Digital x-ray
- ✓ Ultrasound
- ✓ Digital mammography
- ✓ MRI
- ✓ Ophthalmic diagnostics

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2018. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 292 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 281 completing a questionnaire Oct 2017 - Sep 2018. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 373 completing a questionnaire Oct 2017 - Sep 2018. ****Friends and Family recommendation figures based on 370 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.
