

The BMI logo consists of the letters 'BMI' in a white, serif font, enclosed within a dark teal square. The background of the entire page is a photograph of a hospital operating room. A surgeon in blue scrubs and a surgical cap is looking down at a patient lying on an operating table. The patient's hands are clasped together. The scene is brightly lit by overhead surgical lamps.

DIRECTORY OF CONSULTANTS 2019

BMI St Edmunds Hospital

BMI ST EDMUNDS HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI St Edmunds Hospital also has access to some of the latest technology and equipment, including:

- ✓ 7 consulting rooms
- ✓ 26 beds
- ✓ 3 operating theatres (one with laminar flow ultra clean air system)
- ✓ Physiotherapy and assessment centre
- ✓ Diagnostic imaging
- ✓ Endoscopy/minor operations suite

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2018. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 537 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 564 completing a questionnaire Oct 2017 - Sep 2018. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 816 completing a questionnaire Oct 2017 - Sep 2018. ****Friends and Family recommendation figures based on 824 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.

Exceeded or met
99.3%
expectations**

Nursing care
97.2%
satisfaction**

Overall quality
98.5%
of care satisfaction***

98.7% of our patients say that they would recommend the hospital to friends and family****

* 0% interest for 12 months then 0.79% per month, representative 9.9% APR variable. Up to £20,000 available (subject to status). Monthly repayment 5% of balance or £25 whichever is greater or balance if lower than £25.

Notes

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.

EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS
