# DIRECTORY OF CONSULTANTS 2019

BMI The Duchy Hospital

## BMI THE DUCHY HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare\*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Duchy Hospital also has access to some of the latest technology and equipment, including:

- ✓ Diagnostic imaging department including X-Ray & Ultrasound
- ✓ Mobile MRI
- ✓ 9 consulting rooms
- ✓ 27 bedrooms
- ✓ Physiotherapy
- ✓ 2 operating theatres, with laminar flow and ultra clean air system
- ✓ Endoscopy
- ✓ Minor treatment room
- ✓ Pharmacy service
- ✓ Private GP

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*Based on the number of hospitals/treatment centres within the UK - September 2018. \*\*"Expectations Met" figures are based on the responses of a sample of 223 patients over the period October 2017 - September 2018 \*\*\* Overall quality of care score is based on patients giving a rating of 'very good' or 'excellent' of a sample of 376 completing a questionnaire over the period October 2017 - September 2018. \*\*\*\*Satisfaction figures are based on patients giving a rating of 'very good' or 'excellent' of a sample of 618 completing a questionnaire over the period October 2017 - September 2018. \*\*\*\*\*Friends and Family recommendation figures are based on 380 patients saying that they are 'extremely likely / likely' to recommend the hospital to friends and family over the period October 2017 - September 2018. Questionnaires analysed by Quality Health, who are an independent survey provider

## SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.

### EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS

Provide your patient with a printed referral letter
