

The Hampshire
Clinic

DIRECTORY OF CONSULTANTS 2019

BMI The Hampshire Clinic

BMI THE HAMPSHIRE CLINIC

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Hampshire Clinic also has access to some of the latest technology and equipment, including

- ✓ 65 beds with all rooms offering the privacy and comfort of en-suite facilities, satellite TV, telephone and Wi-Fi
- ✓ Hydrotherapy complex
- ✓ Physiotherapy
- ✓ Mammography
- ✓ Four operating theatres
- ✓ 20 consulting rooms
- ✓ Ultrasound
- ✓ Health screening
- ✓ Level 3 critical care facility
- ✓ MRI and CT scanner
- ✓ Diagnostic imaging
- ✓ On-site pharmacy
- ✓ X-ray
- ✓ Brand new Endoscopy unit open January 2018

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2018. **Expectation figures based on patients rating 'met/exceeded' of a sample of 490 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 484 completing a questionnaire Oct 2017 - Sep 2018. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 1,953 completing a questionnaire Oct 2017 - Sep 2018. ****Friends and Family recommendation figures based on 1,960 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.

Expectations

94.9%
met or exceeded**

Nursing care

83.7%
satisfaction**

Overall quality

97.3%
of care satisfaction***

98.1% of our patients say that they would recommend the hospital to friends and family****

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.
