DIRECTORY OF CONSULTANTS 2019

BMI The Meriden Hospital

BMI THE MERIDEN HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Meriden Hospital also has access to some of the latest technology and equipment, including:

- ✓ 52 beds
- ✓ 3 operating theatres (all with laminar flow ultra clean air systems)
- ✓ Minor operations suite
- ✓ Dedicated ophthalmology room
- ✓ 15 consulting suites
- ✓ Advanced imaging centre including MRI and CT
- ✓ Physiotherapy gym and assessment centre
- ✓ Cardiac catheterisation lab

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - November 2018. *Overall quality of care score is based on patients giving a rating of 'very good' or 'excellent' of a sample of 1296 completing a questionnaire over the period October 2017 - September 2018. **Friends and Family recommendation figures are based on 1302 patients saying that they are 'extremely likely / likely' to recommend the hospital to friends and family over the period October 2017 - September 2018. ***Expectation figures are based on patients giving a response of 'met' or 'exceeded' of a sample of 1727 completing a questionnaire over the period October 2017 - September 2018. Questionnaires analysed by Quality Health, who are an independent survey provider.

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.
