

The Saxon
Clinic

DIRECTORY OF CONSULTANTS 2019

BMI The Saxon Clinic

BMI THE SAXON CLINIC

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 59 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Saxon Clinic also has access to some of the latest technology and equipment, including:

- ✓ 12 consulting rooms
- ✓ Minor procedures and clinical areas
- ✓ MRI scanning
- ✓ Ultrasound
- ✓ Shockwave Therapy
- ✓ Physiotherapy suite with gymnasium
- ✓ Registered for 37 beds, all with en-suite facilities
- ✓ Hand Therapy
- ✓ AlterG® Anti-Gravity Treadmill®
- ✓ Immunisation and travel clinic
- ✓ 2 operating theatres
- ✓ Health screening
- ✓ Endoscopy suite with minor theatre
- ✓ Pre admission clinics

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2018. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 329 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 330 completing a questionnaire Oct 2017 - Sep 2018. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 1424 completing a questionnaire Oct 2017 - Sep 2018. ****Friends and Family recommendation figures based on 1421 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2017 - Sep 2018. Questionnaires analysed by Quality Health, an independent survey provider.

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.

EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS

Provide your patient with a printed referral letter
