SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.
