

DIRECTORY OF CONSULTANTS 2020

BMI Bath Clinic

BMI BATH CLINIC, BATH'S PRIVATE HOSPITAL is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 54 hospitals and healthcare facilities nationwide. Throughout these locations, we treat almost 300,000 patients[^] and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI Bath Clinic, just 1.9 miles from the city centre, has access to some of the latest technology and equipment, including:

- ✓ 17 consulting rooms
- ✓ 68 en-suite bedrooms: TV / WiFi
- ✓ Endoscopy suite
- ✓ Health assessments, private GP service, travel clinic
- ✓ Imaging: X-ray, ultrasound, CT, MRI, digital mammography
- ✓ Minor procedure unit
- ✓ 3 operating theatres
- ✓ Pain management clinic
- ✓ Physiotherapy, rehabilitation department and gym
- ✓ Recovery unit

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

Please note Bath Anaesthetic Group Consultants are not listed in this directory. For more information, visit their website at: bathanaestheticgroup.net

*Based on the number of hospitals/treatment centres within the UK - Sep 2019. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 339 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 333 completing a questionnaire Oct 2018 - Sep 2019. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 1579 completing a questionnaire Oct 2018 - Sep 2019. ****Friends and Family recommendation figures based on 1591 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2018 - Sep 2019. Questionnaires analysed by Quality Health, an independent survey provider.

Joint Replacement Centre

If pain or stiffness in the hip or knee is holding your patients back from doing the things they love, they may want to consider a joint replacement.

Our multidisciplinary team of consultant surgeons, pain-management specialists and physiotherapists, will help your patients get to the bottom of their symptoms, offering fast diagnosis and quick access to a tailored treatment plan.

We also assign a Joint Replacement Coordinator to all of our patients, so they'll have a familiar point of contact to answer questions and support them throughout the process.
