

The Park
Hospital

DIRECTORY OF CONSULTANTS 2020

BMI The Park Hospital

BMI THE PARK HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare*

At BMI Healthcare, we have over 54 hospitals and healthcare facilities nationwide with centres of excellence in spinal, orthopaedic, neuro, cardiac and cancer care. Throughout these locations, we treat 296,000 inpatients and manage 1,700,000 outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Park Hospital also has access to some of the latest technology and equipment, including:

- ✓ 5 Bed Intensive Care Unit with isolation room
- ✓ 5 Theatres
- ✓ Pharmacy
- ✓ Specialist Cancer Centre
- ✓ Diagnostic and Imaging: Ultrasound, CT and MRI
- ✓ 56 En-suite Bedrooms
- ✓ 16 Consulting Rooms
- ✓ Dedicated Cardiology Clinic
- ✓ Endoscopy
- ✓ Physiotherapy

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

*Based on the number of hospitals/treatment centres within the UK - Sep 2019. **Expectation figures based on patients rating 'met'/exceeded' of a sample of 465 and Nursing figures based on patients rating 'excellent' /very satisfied' of a sample of 457 completing a questionnaire Oct 2018 - Sep 2019. ***Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 3591 completing a questionnaire Oct 2018 - Sep 2019. ****Friends and Family recommendation figures based on 3606 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2018 - Sep 2019. Questionnaires analysed by Quality Health, an independent survey provider.

ALLERGY		
Dr D Bakshi (M)	Allergy: food allergies, urticaria, eczema, hay fever, asthma, contact dermatitis Paediatrics: allergies, abdominal pain, eczema, constipation, respiratory, chronic fatigue and behavioural issues	Nottingham University Hospitals
Professor R Powell (M)	Food reactions, anaphylaxis, drug/latex allergy, urticaria, angioedema, allergic rhinitis/desensitisation, chronic fatigue syndrome, insect stings, recurrent infections	Private
AUDIOLOGICAL MEDICINE		
Dr T Meehan (F)	Vertigo, dizziness, imbalance, hearing impairment, tinnitus, hyperacusis, epley maneuvers	Nottingham University Hospitals
BREAST SURGERY		
Mr M Jahan (M)	Specialist breast surgeon offering treatments for breast cancer, benign breast disease, breast reconstruction, family history & risk reducing surgery, cosmetic breast surgery	Nottingham University Hospitals
Mr R Macmillan (M)	Specialist breast surgeon, investigation/management of breast problems, breast cancer surgery/oncoplastic surgery, breast reconstruction, risk reducing breast surgery, cosmetic breast surgery, revisions	Nottingham University Hospitals
Mr T Rasheed (M)	Abdominoplasty, breast augmentation/reduction/uplift, ear surgery, eyelid surgery, face/neck lift, fat transfer/liposculpture, penile enlargement, rhinoplasty, vaginoplasty, oncoplastic/reconstructive surgery, breast cancer assessment/surgery	Nottingham University Hospitals
CARDIAC SURGERY		
Mr S Naik (M)	Adult cardiac surgery, off pump coronary artery bypass	Nottingham University Hospitals

Cardiac

We have a dedicated cardiac team who provide a full service including investigations, diagnosis, treatment and surgery. Our five bed intensive care unit enables us to do complex heart surgery.

A fast diagnosis and treatment ensures your patient's heart is back to the right beat as soon as possible.

Your patients can use their private medical insurance or if they choose to pay for their own treatment, they can spread the cost with our flexible payment options.

To refer your patient call

01159 662000

CARDIOLOGY		
Dr A Ahsan (M)	Interventional cardiology (angioplasty and stents), pacemakers, implantable defibrillators, ablation for arrhythmias, chest pain, angina, heart failure, palpitations, atrial fibrillation, syncope, heart rhythm disturbances, blackouts	Nottingham University Hospitals
Dr R Andrews (M)	General cardiology, coronary heart disease, heart failure, cardiac rhythm disturbances, valvular heart disease and hypertension, coronary artery disease	United Lincolnshire Hospitals
Dr K Baig (M)	Interventional cardiology - coronary artery angioplasty & stent, TAVI - percutaneous valve replacement therapies, pacemakers, heart failure, high blood pressure, recurrent fainting - POTS/neurocardiogenic syncope	Nottingham University Hospitals
Dr K Chitkara (M)	Angioplasty/stent, hypertension, high blood pressure, angina, heart attack, palpitations, arrhythmia, cardioversion, dizziness/fainting/vasovagal syncope, high cholesterol, POTS, edema, heart failure, heart valve/coronary artery disease	Derby Hospitals Foundation
Dr G Cooke (M)	General cardiology, heart failure, ischaemic heart disease, atrial fibrillation, echocardiography, transoesophageal echocardiology, permanent pacemakers	Doncaster And Bassetlaw Hospitals Foundation
Dr I Fazal (M)	Angina, heart failure and cardiomyopathy, rhythm disorders, pacemaker implantation, ICD (defibrillator) implantation, CRT-D implantation (cardiac resynchronisation therapy) for heart failure, syncope, inherited causes of sudden cardiac death	Sherwood Forest Hospitals Foundation
Dr E Grech (M)	Interventional cardiology (coronary angioplasty and stents, TAVI), general cardiology	Sheffield Teaching Hospitals Foundation
Dr S Jamil-Copley (F)	General cardiology, heart rhythm disorders, syncope, procedures including permanent pacemaker, ICD and cardiac resynchronisation devices, electrophysiology study and ablations	Nottingham University Hospitals
Dr P Jokhi (M)	General cardiology, coronary heart disease, heart failure, cardiac rhythm disturbances, valvular heart disease and hypertension, coronary artery disease, coronary angiography, coronary angioplasty	United Lincolnshire Hospitals
Dr T Mathew (M)	General cardiology, heart failure, ischaemic heart disease, atrial fibrillation, echocardiology, transoesophageal echocardiology, permanent pacemakers, coronary angiography, cardiac MRI examination	Nottingham University Hospitals
Dr D O'Brien (M)	General cardiology, coronary heart disease, heart failure, cardiac rhythm disturbances, valvular heart disease and hypertension, coronary artery disease, coronary angiography and coronary angioplasty	United Lincolnshire Hospitals
Dr W Smith (M)	General cardiology, interventional cardiology (angioplasty and stents), adult congenital heart disease	Nottingham University Hospitals
Dr R Varcoe (M)	Coronary artery disease, valvular heart disease, investigation of chest pain, coronary angioplasty, percutaneous coronary intervention, heart failure, palpitations, rhythm disorders	Nottingham University Hospitals
Dr V Venugopal (M)	General cardiology, coronary heart disease, heart failure, cardiac rhythm disturbances, valvular heart disease and hypertension, coronary artery disease, coronary angioplasty and cardiac CT	United Lincolnshire Hospitals
CLINICAL PSYCHOLOGY		
Dr J Levene (F)	Psychological assessment and therapy using a range of psychological theories and models, including but not limited to CBT, ACT, CFT, other mindfulness-based approaches	Sherwood Forest Hospitals Foundation
Dr C Reading (F)	Clinical psychology including physical health	Private
DERMATOLOGY		
Dr A Patel (M)	Skin cancer, skin surgery, general dermatology including acne, eczema, psoriasis, laser, hyperhidrosis, moles, benign lesion removal, cryotherapy, dermoscopy, cyst removal and melanoma	Nottingham University Hospitals
Dr W Perkins (M)	Skin cancer, acne, moles, basal cell carcinoma, squamous cell carcinoma, dermoscopy, melanoma, Bowen's disease, actinic keratoses, cysts, skin surgery, photodynamic therapy, cryotherapy, hyperhidrosis and laser	Oxford Radcliffe Hospitals
Dr J Ravenscroft (F)	Paediatric and adult dermatology, eczema, acne, infantile haemangiomas. NO SKIN CANCER OR SKIN LESIONS FOR DIAGNOSIS OR REMOVAL IN ADULTS	Nottingham University Hospitals
Dr S Varma (M)	Skin cancer, acne, moles, basal cell carcinoma, squamous cell carcinoma, dermoscopy, melanoma, Bowen's disease, solar/actinic keratoses, cysts, skin surgery, photodynamic therapy, cryotherapy	Nottingham University Hospitals

EAR NOSE & THROAT (ENT)		
Mr S Ali (M)	Rhinology, tonsils and adenoids, allergy sinusitis, glue ear, snoring, paediatric ENT, endoscopic sinus surgery, rhinitis, facial pain, nasal polyps, ear infections, sore throats	Sherwood Forest Hospitals Foundation
Mr A Chidambaram (M)	General and paediatric ENT, ear conditions, nasal and sinus disease, adenoidectomy, tonsillectomy, grommet insertion, myringoplasty, septoplasty, sinus surgery, pinnaplasty	Sherwood Forest Hospitals Foundation
Mr A Connolly (M)	General ENT, ear surgery, pinnaplasty surgery, voice disorders, dizziness & tinnitus, thyroid disorders, salivary gland disorders, snoring and snoring surgery, nasal deformity, sinus disease	United Lincolnshire Hospitals
Mr N Fergie (M)	All adult/childhood ENT, diagnosis and management of ear conditions including chronic middle ear disease, balancing, hearing loss and tinnitus, childhood surgery including tonsillectomy, adenoidectomy, grommets, pinnaplasty/otoplasty, nasal cautery	Nottingham University Hospitals
Professor D Hartley (M)	ENT conditions in adults and children, hearing loss, chronic ear disease and cholesteatoma, ear surgery, grommets, mastoidectomy, bone-anchored hearing aids and cochlear implants, balance problems, tinnitus and dizziness, tonsils and adenoids	Nottingham University Hospitals
Professor A Kasbekar (M)	All ENT conditions in children and adults, tonsillectomy, adenoidectomy, sleep apnoea, grommets, epistaxis, cholesteatoma and mastoidectomy, ear surgery, hearing loss, hearing implants including bone anchored hearing aids, balance/dizziness, tinnitus	Nottingham University Hospitals
Mr Y Ramakrishnan (M)	Rhinology, Functional Endoscopic Sinus Surgery (FESS), nasal polypectomy, septoplasty, turbinate surgery, sinonasal cancer, rhinoplasty, snoring, allergy testing, sore throat, tonsillectomy	Nottingham University Hospitals
Professor A Sama (M)	Rhinology, rhinoplasty and sinus diseases, snoring and sleep apnoea, balloon sinuplasty, specialist in nasal cosmetic and functional surgery, nasal allergies, sinusitis, polyposis and nasal tumours	Nottingham University Hospitals
Professor L Sneddon (F)	Rhinoplasty, head and neck, thyroid, parotid, throat problems	Nottingham University Hospitals
ENDOCRINOLOGY		
Dr P Prinsloo (M)	Osteoporosis diagnosis and treatment, hypercholesterolaemia and lipid disorders, metabolic bone diseases, calcium and vitamin D disorders	Nottingham University Hospitals
Dr M Rathi (F)	Endocrinology including pituitary disease, thyroid disorders, reproductive endocrinology, endocrine causes of weight gain/loss, fatigue and tiredness, electrolyte imbalances. HRT, lipids, high cholesterol, osteoporosis and bone metabolism	Sandwell And West Birmingham Hospitals
GP		
Dr E Pooley (F)	Private GP Service and Health Screening	Private
GASTROENTEROLOGY		
Professor J Andreyev (M)	Gastrointestinal dysfunction after cancer treatment, diarrhoeal disorders, faecal incontinence, malabsorption and nutritional issues, irritable bowel syndrome, gastrointestinal dysfunction after surgery, upper GI endoscopy, complex colonoscopy	United Lincolnshire Hospitals
Dr T Bowling (M)	Gastroenterology, dyspepsia, altered bowel habit, anaemia, IBS/IBD, gastroscopy, colonoscopy, undernutrition	Nottingham University Hospitals
Dr S Ryder (M)	Liver disease, viral hepatitis	Nottingham University Hospitals
Dr A Shonde (M)	Gastroenterology, capsule endoscopy, therapeutic gastroscopy and colonoscopy, IBD, bowel cancer screening	Sherwood Forest Hospitals Foundation
Dr M Teli (M)	Acute medicine, endoscopy, general gastroenterology, therapeutic endoscopy including ERCP and therapeutic colonoscopy, acute gastroenterology	Nottingham University Hospitals

GENERAL MEDICINE		
Dr M Glover (M)	Hypertension conditions including endocrine hypertension, such as hyperaldosteronism	Nottingham University Hospitals
Dr G Subramanian (M)	General medicine, geriatrics, stroke medicine	Nottingham University Hospitals
GENERAL SURGERY		
Mr A Acheson (M)	Colorectal surgery, colonoscopy, general surgery, laparoscopic surgery, hernias, lumps and bumps, haemorrhoids, fissures, pilonidal disease, inflammatory bowel disease	Nottingham University Hospitals
Mr S Awad (M)	Laparoscopic surgery, gastric bypass, sleeve gastrectomy, gastric band, anti-reflux surgery, hiatus hernia, paraoesophageal hernia	Derby Hospitals Foundation
Mr K Badrinath (M)	General and colorectal surgery	Sherwood Forest Hospitals Foundation
Mr I Beckingham (M)	Gallstones and gallbladder surgery, laparoscopic inguinal, paraumbilical & femoral hernia surgery, upper gastrointestinal (UGI), hiatus hernia, anti-reflux and achalasia surgery, liver, biliary and pancreatic cancer	Nottingham University Hospitals
Mr A Brooks (M)	Gall bladder surgery & gallstones, laparoscopic cholecystectomy, laparoscopic hernia repair (all types), liver & pancreas surgery, colorectal liver metastases, liver tumours, hepatobiliary surgery, management of liver, biliary and pancreatic cancer	Nottingham University Hospitals
Mr I Cameron (M)	Gallstones and gallbladder surgery, hernias and laparoscopic hernia surgery, liver and pancreatic tumours, colorectal liver metastases, general surgery including skin lumps and bumps	Nottingham University Hospitals
Mr J Catton (M)	Upper GI and general surgery, upper GI endoscopy, oesophageal and gastric cancer surgery, anti-reflux surgery, gallstones and gallbladder surgery, hernia surgery (all types) including laparoscopic and open surgery	Nottingham University Hospitals
Mr S Dutta (M)	Gallstone and gallbladder surgery, laparoscopic and open inguinal, femoral and paraumbilical hernia surgery, incisional hernia surgery, lumps and bumps, parathyroidectomy	Nottingham University Hospitals
Mr R Hind (M)	General, laparoscopic, colorectal	Sherwood Forest Hospitals Foundation
Mr C Maxwell-Armstrong (M)	Colorectal and general surgery, laparoscopic colorectal surgery, haemorrhoids, bowel cancer screening, faecal incontinence, fistulae fissure, hernias (all types), lumps and bumps, pilonidal disease	Nottingham University Hospitals
Mr A Menon (M)	Colorectal and general surgery, laparoscopic colorectal surgery, haemorrhoids, bowel cancer screening, faecal incontinence, fistulae fissure, hernias (all types), lumps and bumps, pilonidal disease	Sherwood Forest Hospitals Foundation
Mr K Nigam (M)	Gall bladder and gallstone surgery, all types of hernia surgery (excluding hiatus hernia and laparoscopic hernia surgery), thyroid surgery for nodules/goitre/thyrotoxicosis, pilonidal sinus disease, general surgery inc lumps and bumps	Sherwood Forest Hospitals Foundation
Professor J Scholefield (M)	Colorectal and general surgery, colorectal cancer surgery, anal fistula surgery, colonoscopy, hernia surgery, haemorrhoid and anal fissure treatment, lumps and bumps	Nottingham University Hospitals
Mr C Sutton (M)	Upper gastrointestinal surgery, weight loss and anti reflux surgery, gastric balloon, overstretch, endoscopic sleeve, laparoscopic band, laparoscopic sleeve gastrectomy, laparoscopic mini gastric bypass, laparoscopic bypass	University Hospitals Of Leicester
Mr T White (M)	Colorectal and general surgery, laparoscopic colorectal surgery, haemorrhoids, fistulae fissure, hernias (all types), lumps and bumps, pilonidal disease, upper and lower GI endoscopy	Chesterfield Royal Hospital Foundation
GYNAECOLOGY		
Mr J Abu (M)	Gynaecology, gynaecological oncology, minimally invasive surgery, single incision laparoscopic surgery, colposcopy, cervical cancer, ovarian cancer, uterine cancer, vulvar cancer	Nottingham University Hospitals
Mr Y Afifi (M)	Laparoscopic procedures, endometriosis, reproductive medicine, minimal access/invasive surgery	Birmingham Women's and Children's Foundation

GYNAECOLOGY		
Mr W Atiomo (M)	PCOS, infertility diagnosis, reproductive medicine, laparoscopic surgery, vaginal surgery, general gynaecology procedures	Nottingham University Hospitals
Mr K Gajjar (M)	Gynaecological cancer, women's health, laparoscopic surgery, colposcopy, hysteroscopy, post menopausal bleeding, ovarian cancer, ovarian cysts, uterine cancer and pre cancer, cervical cancer, vulval conditions, vulval cancer	Nottingham University Hospitals
Mr P Ghosh (M)	Colposcopy, vulvoscopy, hysteroscopy, laparoscopy, prolapse surgery, hysterectomy, treatment of menstrual problems using endometrial ablation, polypectomy and endometrial resection, early pregnancy and gynaecological scanning	Nottingham University Hospitals
Mr C Gie (M)	General gynae & gynae oncology, sterilisation & reversal, laparoscopic hysterectomy, vaginal hysterectomy, minimal invasive surgery, menstrual disorders, laparoscopic oophorectomy, ovarian cystectomy, menopause, endometriosis, endometrial ablation	Sherwood Forest Hospitals Foundation
Miss Z Haoula (F)	Gynaecology, menstrual disorders, colposcopy, menopause, PCOS, minimal access surgery	United Lincolnshire Hospitals
Ms D Mathew (F)	Investigating suspected gynae cancer and treatment, menstrual disorders, polycystic disease, pelvic pain, HRT counselling, laparoscopic procedures, hysteroscopy, endometrial ablation, recurrent miscarriage, urogynaecology, colposcopy, prolapse	Chesterfield Royal Hospital Foundation
Mr I Nikolopoulos (M)	Endometriosis, pelvic pain, laparoscopic surgery for endometriosis, menstrual disorders, fibroids	Sherwood Forest Hospitals Foundation
Mr C Pickles (M)	Minimal invasive surgery, vaginal surgery, general gynaecological surgery, sterilisation, sterilisation reversal, menstrual disorders, hysterectomy, ovarian cystectomy, oophorectomy, division of adhesions, endometriosis, HRT	Private
Miss S Ward (F)	General gynaecology, cancer, paediatric gynaecology	Nottingham University Hospitals
HAEMATOLOGY		
Dr G Dolan (M)	Leukaemia, oncology, anaemia, thrombosis	Nottingham University Hospitals
Professor C Rinaldi (M)	General haematology, myeloproliferative neoplasms, lymphoma, myelodysplastic syndrome	United Lincolnshire Hospitals
HEALTH SCREENING		
Dr E Pooley (F)	Private GP Service and Health Screening	Private
IMMUNOLOGIST		
Professor R Powell (M)	Food reactions, anaphylaxis, drug/latex allergy, urticaria, angioedema, allergic rhinitis/desensitisation, chronic fatigue syndrome, insect stings, recurrent infections	Private
NEUROLOGY		
Dr N Bajaj (M)	General neurology, headache, Parkinson's disease, memory problems, dementia	Nottingham University Hospitals
Dr N Evangelou (M)	Headache, migraine, multiple sclerosis, general neurology	Nottingham University Hospitals
Dr E Nikfekar (M)	Multiple Sclerosis, Parkinson's disease, headache and the use of botox injection for chronic migraine	Nottingham University Hospitals
Dr A Szabo (M)	General neurology, epilepsy, botulinum toxin injections for dystonia, facial spasms, blepharospasm, spasticity and chronic migraine	University Hospital Birmingham Foundation

NEUROPHYSIOLOGY		
Dr T Sabbubeh (M)	Adult and children electromyography (EMG), nerve conduction study (NCS), RNS and Single Fibre EMG study (SFEMG). Reports on all types of EEG recording (standard, ambulatory and videotelemetry) and all types of evoked potential studies	Nottingham University Hospitals
Dr C Shirley (M)	Nerve conduction studies, electromyography, intra-operative neurophysiology, pre-operative assessment of peripheral nerve and plexus injuries and pre-operative epilepsy assessment	University Hospital Birmingham Foundation
NEUROSURGERY		
Mr G Dow (M)	Aneurysms, arteriovenous brain tumours, spinal malformations, degenerative spinal pathology, microdisectomy, cervical disc replacement, spinal decompression, general neurosurgery, pituitary, vascular and tumours	Nottingham University Hospitals
Mr S Howarth (M)	Degenerative conditions, lumbar epidurals, nerve root blocks, microdiscectomies, minimally invasive surgery, fusions, decompressions. Neurospinal conditions around craniocervical junction, brain & spine tumours. Hydrocephalus, shunts, neuroendoscopy	Nottingham University Hospitals
Mr I Robertson (M)	Spinal, skull base and pituitary	Nottingham University Hospitals

COMPASSIONATE DIAGNOSIS AND TREATMENT

BMI The Park Hospital offers you the reassurance of the full private cancer pathway for your patients, from screening and diagnostics, specialist surgery and chemotherapy to complementary therapies and after care.

We offer innovative, consultant led treatments for a wide range of cancers including breast, bowel, gynaecological and urological cancers.

Why refer your patient to BMI The Park Cancer Centre?

- ✓ Reassurance of a fast diagnosis for your patients, those you have great concern over or those that fall out of the 2 week NHS pathway
- ✓ Consultant led Rapid Access Clinics providing a fast, accurate diagnosis
- ✓ The reassurance of multi-disciplinary teams, wrap around care and personalised treatment plans
- ✓ Direct referral into the NHS if required during any stage of the patient's treatment, which prevents return to general practice
- ✓ Specialist oncology support team from nurses, pharmacists, and physiotherapists to dietitians and complementary therapists
- ✓ A range of support services for your patient and their family
- ✓ Calm and tranquil private environment where family and friends are welcome
- ✓ Convenient appointment times, free parking, Wi-Fi, and tailored menus
- ✓ We work with all major insurers and approved specialist consultants and offer flexible finance options with the BMI Card* for patients wishing to pay for themselves.

*0% APR Representative. Ts&Cs apply.

RAPID ACCESS BREAST AND PROSTATE CLINICS

- Regular clinics
- Initial consultation, examination and results all in one appointment*
- Fast onward access to surgery if required
- Rapid access approach - consultation, screening and treatment all at BMI The Park Hospital
- Multi-disciplinary team of highly experienced Radiologists, Pathologists, Oncologists, Surgeons and Specialist Nurse
- Radiotherapy treatment provided at The Park Cancer Centre by GenesisCare UK

*excluding biopsy results

Macmillan accredited

ONCOLOGY		
Dr A Anand (F)	Clinical oncology, chemotherapy, radiotherapy for breast and gynaecological cancers	Nottingham University Hospitals
Dr A Arora (M)	Pancreatic cancer, liver cancer, gall bladder cancer, bile duct cancer, lung cancer, neuroendocrine tumours, mesothelioma, breast cancer, chemotherapy, immunotherapy, targeted biological agents, precision medicine	Nottingham University Hospitals
Dr L Aznar-Garcia (M)	Hepatobiliary tumours, lung cancer, brain metastasis, radiotherapy, systemic treatments, stereotactic radiosurgery, SABR	Nottingham University Hospitals
Dr E Bessell (M)	Lymphomas, gastro intestinal cancers (oesophageal, stomach, colorectal, anal, pancreatic and liver cancer)	Nottingham University Hospitals
Professor S Chan (M)	Breast cancer female and male, ovarian, uterine, cervical and endometrial cancer, chemotherapy, hormone therapy, immunotherapy, radiotherapy including IMRT, SD-IORT, IGRT, SABR, breath hold, brachytherapy, research	Nottingham University Hospitals
Dr A Chaudhuri (M)	Non-surgical management of breast cancer, lung cancer, mesothelioma, chemotherapy, immunotherapy and radiotherapy including IMRT, IGRT and breath holding technique	United Lincolnshire Hospitals
Dr M Griffin (M)	Clinical oncology, breast cancer, head and neck cancer, cancers of the brain and spinal cord, technical radiotherapy, chemotherapy, targeted biological agents	Nottingham University Hospitals
Dr S Khan (F)	Breast cancer, lung cancer, chemotherapy, endocrine treatment, biological therapy, immunotherapy and targeted treatments	Nottingham University Hospitals
Dr J Mills (M)	Cancers of the prostate, colon, rectum, anus and bladder, chemotherapy, radiotherapy including IMRT and IGRT, biological therapy, hormone therapy, novel therapy - Sir Spheres, contact brachytherapy	Nottingham University Hospitals
Dr T Sreenivasan (M)	Urological, breast and colorectal cancers	United Lincolnshire Hospitals
Dr Z Stokes (F)	Colorectal, upper GI, pancreatic, liver, HPB, sarcoma, unknown primary, neuroendocrine	United Lincolnshire Hospitals
Dr S Sundar (M)	Prostate cancer, ovarian cancer, kidney cancer, bladder cancer and endometrial cancer, general management of bowel, lung, stomach, pancreas, breast and all other common cancers, chemotherapy, radiotherapy, hormone therapy, immunotherapy	Nottingham University Hospitals
Dr S Trivedi (M)	Anticancer treatment/care provided to patients with breast cancers of gynaecological origin. Planning systemic therapy to cancer patients including chemotherapy, endocrine therapy and biological therapies. Review/surveillance post-treatment.	Nottingham University Hospitals
OPHTHALMOLOGY		
Mr P Agrawal (M)	Small-incision stitch free cataract surgery, glaucoma, glaucoma laser and surgical treatments, red eye and dry eye	Nottingham University Hospitals
Dr A Alwitary (M)	General ophthalmology including glaucoma, cataract removal, refractive surgery, oculoplasty	Sherwood Forest Hospitals Foundation
Professor H Dua (M)	Cornea, refractive surgery	Nottingham University Hospitals
Mr D Kumudhan (M)	Multifocal and toric intraocular lenses, advanced micro and small incision cataract surgery, sutureless cataract surgery, retinal surgery for detachments and holes, sutureless retinal surgery, diabetic retinopathy, age related macular degeneration	Nottingham University Hospitals
Mr G Orr (M)	Medical and surgical retinal disease, small incision cataract surgery, general ophthalmology	Nottingham University Hospitals
Miss D Said (F)	Cataracts, corneal surgery including grafts, pterygium surgery, amniotic membrane surgery	Nottingham University Hospitals
Mr R Saxena (M)	General ophthalmology, cataract surgery with special interest in medical & surgical glaucoma management	Sherwood Forest Hospitals Foundation
Mr S Subramaniam (M)	Cataract/complex cataract, general ophthalmology, multifocal/trifocal/toric lenses, laser eye surgery and lens implants for vision correction and laser cataract surgery	Sherwood Forest Hospitals Foundation

OPHTHALMOLOGY		
Mr S Thomas (M)	Strabismus, squints, cataracts, neuro and general ophthalmology	Nottingham University Hospitals
Professor S Vernon (M)	Cataract surgery including complex cases, utilising micromonovision and toric IOLs where appropriate, glaucoma: medical and surgical/laser management, neuro-ophthalmology	Private
ORAL AND MAXILLOFACIAL SURGERY		
Mr I McVicar (M)	Oral and head and neck and cancer, oral medicine, salivary gland disease including parotid surgery, facial injuries and dentoalveolar surgery including wisdom teeth	Nottingham University Hospitals
Mr A Sidebottom (M)	Facial deformity, facial cosmetic surgery, dental implants, oral surgery, TMJ surgery	Nottingham University Hospitals
Mr D Srinivasan (M)	Dental extractions including wisdom teeth, facial deformity surgery, surgery for obstructive sleep apnoea, oral surgery, facial trauma	Nottingham University Hospitals

Orthopaedics

With us, your patients will be at the centre of care with personalised treatment to help optimise their recovery.

Your patients can use their private medical insurance or can choose to pay for their own treatment. They can even spread the cost interest-free*.

*Terms and conditions apply. For more information please visit www.bmihealthcare.co.uk/paying-for-treatment

ORTHOPAEDIC		
Mr A Aladin (M)	Lower limb and complex/revision hip arthroplasty	Sherwood Forest Hospitals Foundation
Mr N Badhe (M)	Sports injuries: arthroscopy, ACL, multiligament reconstruction & patellar instability (unstable knee), total hip replacement, total knee replacement & revision knee replacement	Nottingham University Hospitals
Mr S Badhe (M)	Hip replacement, knee replacement, arthroscopy	Sherwood Forest Hospitals Foundation
Mr A Bidwai (M)	Traumatic and degenerative shoulder and elbow problems including rotator cuff tears, impingement syndrome, calcific tendinitis, ACJ injuries, frozen shoulder, shoulder instability and shoulder and elbow arthritis, tennis elbow	Sherwood Forest Hospitals Foundation
Mr B Bloch (M)	Knee arthroscopy, knee cartilage surgery, osteotomy around the knee, partial knee replacement, total knee replacement, revision knee replacement, total hip replacement	Nottingham University Hospitals
Mr A Broodryk (M)	Lower limb, hip and knee	Nottingham University Hospitals
Mr V Desai (M)	Knee & hip replacement surgery, ACL reconstruction, arthroscopic knee surgery, meniscal injuries, complex knee problems, young patients with knee problems, sports injuries to knee	Sherwood Forest Hospitals Foundation
Mr S Dhar (M)	Lower limb, foot and ankle	Nottingham University Hospitals
Mr N Downing (M)	Hand surgery: including carpal tunnel syndrome, cubital tunnel syndrome, trigger digits, ganglia, Dupuytren's disease, thumb arthritis	Nottingham University Hospitals
Mr J Geoghegan (M)	Open and arthroscopic surgery of the shoulder and elbow, sports injuries of the shoulder, shoulder injuries, instability, rotator cuff tear, arthritis, frozen shoulder & impingement, elbow arthritis, golfers & tennis elbow, cubital tunnel syndrome	Nottingham University Hospitals
Mr B Gooding (M)	Shoulder: sports injuries, soft tissue injury, degenerative conditions, shoulder fractures. Elbow: sports injuries, trauma, soft tissue and ligament injuries, arthritis and elbow replacement, steroid and PRP injections	Nottingham University Hospitals
Mr D Hahn (M)	Knee and hip surgery, ACL reconstruction, knee replacement, partial knee replacement, arthroscopic knee surgery, meniscal injuries, patella instability, sports injuries for elite and professional sportsmen and recreational sports injuries	Nottingham University Hospitals
Mr P James (M)	Lower limb arthroplasty especially total hip replacement, total knee replacement, revision knee replacement and arthroscopy of the knee	Nottingham University Hospitals
Mr J John (M)	Lower limb arthroplasty including revision surgery of the knee, hip replacement, knee replacement, partial knee replacement, ligament reconstruction of the knee including ACL reconstructions and multi ligament	Sherwood Forest Hospitals Foundation
Mr P Kothari (M)	All forms of foot & ankle surgery including bunion surgery, surgery for arthritis & flat foot, sports injuries, ankle ligament injuries, ankle arthroscopy	Sherwood Forest Hospitals Foundation
Mr S Kulkarni (M)	Hip & knee replacement, knee arthroscopy, ACL reconstruction	Sherwood Forest Hospitals Foundation
Mr J Kurian (M)	Shoulder, elbow and hand surgery, shoulder arthroscopic surgery, rotator cuff tear, instability, frozen shoulder, shoulder & elbow replacement surgery, tennis elbow, cubital and carpal tunnel syndrome, Dupuytren's contracture surgery	Sherwood Forest Hospitals Foundation
Mr D Malkan (M)	Lower limb arthroplasty, minimal invasive hip surgery, spinal surgery for disc decompression	Sherwood Forest Hospitals Foundation
Mr A Manktelow (M)	Hip and knee surgery, primary and complex hip replacement, including minimally invasive surgery, hip resurfacing surgery, knee replacement, revision hip replacement, young adult hip surgery and knee arthroscopy	Nottingham University Hospitals
Mr I Mersich (M)	Hip replacement, knee replacement, knee arthroscopy	Private

ORTHOPAEDIC		
Mr N Quraishi (M)	Spinal surgery including cervical surgery, low back pain/sciatica, minimally invasive surgery, trauma and infection, spinal oncology/deformity surgery	Nottingham University Hospitals
Mr M Raglan (M)	Bunions, painful big toe, Morton's neuroma, mid foot pain, deformity, ankle pain, sports injuries. All foot and ankle surgery with interest in arthroscopy, ankle replacement and tendinopathies	Nottingham University Hospitals
Miss M Schreuder (F)	Arthritis of hand and wrist, carpal tunnel, Dupuytren's, sports injuries, nerve related conditions, ganglion, elbow arthroscopy, ligament reconstruction, trigger finger treatment	Sherwood Forest Hospitals Foundation
Mr K Sehat (M)	Knee replacement surgery, knee arthroscopy, hip replacement surgery, hip impingement surgery, injuries	Nottingham University Hospitals
Mr M Shafafy (M)	Treatment of spinal conditions from back pain and sciatica to spinal deformities such as scoliosis, including paediatric spinal conditions, patient tailored treatments from simple injections, minimally invasive surgery, to spinal deformity correction	Nottingham University Hospitals
Mr A Taylor (M)	Foot and ankle surgery, sports injuries, joint replacement, reconstructive surgery	Nottingham University Hospitals
Mr J Webb (M)	Consultations in spinal disorders, interventional radiology	Private
Mr A Yewlett (M)	Shoulder and elbow arthroplasty - primary and revision, frozen shoulder, terrible triad injuries of the elbow, distal biceps ruptures, pec major ruptures, acromioclavicular joint pathology, joint injections, elbow arthroscopy, sports injuries	United Lincolnshire Hospitals
ORTHOTICS		
Mr S Osborne (M)	Biomechanics and in particular how people walk and run, gait analysis, orthotic solutions for both adults and children	Private
PAEDIATRIC GASTROENTEROLOGY		
Dr S Loganathan (M)	Investigations and management of bowel conditions in children including gastro-oesophageal reflux, coeliac disease, feeding difficulties, inflammatory bowel disease, allergic bowel disease, dyspepsia, helicobacter infection, constipation	Nottingham University Hospitals
PAEDIATRICS		
Dr D Bakshi (M)	Allergy: food allergies, urticaria, eczema, hay fever, asthma, contact dermatitis Paediatrics: allergies, abdominal pain, eczema, constipation, respiratory, chronic fatigue and behavioural issues	Nottingham University Hospitals
Mr P Godbole (M)	Urology and general paediatrics	Sheffield Childrens Foundation
Dr D Nathan (M)	All areas of paediatric medicine	Nottingham University Hospitals
PAIN MANAGEMENT		
Dr G Hobbs (M)	Back pain, sciatica, neck pain, chronic pain, spinal injections	Nottingham University Hospitals
Dr V Hodgkinson (F)	Advanced pain medicine, general and specialised. Further interest in spinal pain, pelvic pain, neuropathic pain and psychological support	Nottingham University Hospitals
Dr A Ravenscroft (M)	Back and neck, abdominal, pelvic, testicular, post surgical, whiplash injury, complex regional pain syndrome, spinal injections, neuropathic pain, osteoarthritis	Nottingham University Hospitals
Dr B Veemarajan (M)	Back pain, neck pain, sciatica, neuropathic pain, complex regional pain syndrome, myofascial pain, epidurals, facet joint injections, nerve root blocks, radiofrequency denervation	Sherwood Forest Hospitals Foundation

PLASTIC SURGERY		
Dr P Burns (F)	Anti-wrinkle treatments, dermal fillers, lip augmentation, treatment of excessive sweating, migraines and jaw clenching	Private
Mr M Henley (M)	General plastic, reconstructive surgery, cosmetic surgery, nasal surgery	Nottingham University Hospitals
Dr R Kapila (M)	Anti-wrinkle treatments, dermal fillers, lip augmentation, treatment of excessive sweating, migraines and jaw clenching	Nottingham University Hospitals
Mr S McCulley (M)	Reconstructive, oncoplastic and cosmetic breast surgery. Therapeutic mammoplasty and local perforator flaps, mastectomy techniques, microvascular autologous breast reconstruction and the planning of radiotherapy in reconstruction	Nottingham University Hospitals
Mr C O'Boyle (M)	General plastic and cosmetic surgery, skin surgery	Nottingham University Hospitals
Mr G Perks (M)	Reconstructive and aesthetic surgery	Nottingham University Hospitals
Mr T Rasheed (M)	Abdominoplasty, breast augmentation/reduction/uplift, ear surgery, eyelid surgery, face/neck lift, fat transfer/liposculpture, penile enlargement, rhinoplasty, vaginoplasty, oncoplastic/reconstructive surgery, breast cancer assessment/surgery	Nottingham University Hospitals
Ms A Raurell (F)	Breast enlargement, breast reduction and breast uplift, tummy tucks, liposuction, arm lifts and aesthetic non surgical treatments	Nottingham University Hospitals
Mr M Smith (M)	General plastic surgery specialising in dermatological problems	Nottingham University Hospitals
