

The Sandringham
Hospital

DIRECTORY OF CONSULTANTS 2020

BMI The Sandringham Hospital

BMI The Sandringham Hospital is part of BMI Healthcare, one of the largest private hospital operators in the UK*

At BMI Healthcare, we have over 54 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 295,000 patients and manage over one and a half million outpatient appointment visits every year, offering a wealth of experience, highly complex surgery, a patient-centered approach and access to some highly specialised consultants. BMI The Sandringham Hospital also has access to some of the latest technology and equipment, including:

- ✓ 5 Consulting Rooms
- ✓ 24 Inpatient/Daycase Beds
- ✓ 2 Operating Theatres
- ✓ Minor Procedures Room
- ✓ Diagnostic Imaging
- ✓ Physiotherapy

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning:

*Based on the number of hospitals/treatment centres within the UK - September 2018. **Satisfaction figures are based on patients giving a rating of 'very good' or 'excellent' of a sample of 629 completing a questionnaire over the period October 2018 - September 2019. ***Expectations met or exceeded score is based on patients giving a rating of 'very good' or 'excellent' of a sample of 646 completing a questionnaire over the period October 2018 - September 2019. ****Friends and Family recommendation figures are based on 1549 patients saying that they are 'extremely likely / likely' to recommend the hospital to friends and family over the period October 2018 - September 2019. Questionnaires analysed by Quality Health, who are an independent survey provider.

satisfaction***

98% of our
patients say they
would recommend
the hospital to
friends and
family****

Notes

SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.

EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS
