## BMI THREE SHIRES HOSPITAL

is part of BMI Healthcare, the UK's largest provider of independent healthcare\*

At BMI Healthcare, we have over 54 hospitals and healthcare facilities nationwide. Throughout these locations, we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to some highly specialised consultants. BMI The Three Shires Hospital also has access to some of the latest technology and equipment, including:

- ✓ 14 consulting rooms
- ✓ 49 patient rooms with ensuite facilities
- ✓ MRI
- ✓ JAG (Joint Advisory Group) accredited endoscopy suite
- ✓ Minor procedures room
- ✓ Physiotherapy suite with gymnasium (including Gait scanner and Cybex machine)
- ✓ General radiology and ultrasound
- ✓ Audiology booth
- ✓ Dedicated ophthalmology and ENT rooms
- ✓ Dedicated oncology unit

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*Based on the number of hospitals/treatment centres within the UK - Sep 2019. \*\*Expectation figures based on patients rating 'met/exceeded' of a sample of 410 and Nursing figures based on patients rating 'excellent / very satisfied' of a sample of 430 completing a questionnaire Oct 2018 - Sep 2019. \*\*\*Overall quality of care score based on patients rating 'very good' or 'excellent' of a sample of 2545 completing a questionnaire Oct 2018 - Sep 2019. \*\*\*\*Friends and Family recommendation figures based on 2549 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period Oct 2018 - Sep 2019. Questionnaires analysed by Quality Health, an independent survey provider.

Overall Quality

## SUPPORT IS ONE CALL AWAY

The Referral Hotline is a dedicated service for GPs and healthcare professionals to refer their patients. With a freephone number, a secure email address and fax number for you to refer your private patients to a BMI Healthcare hospital. Our Hotline advisors are trained to receive dictation from you and issue a referral letter on behalf of your practice.

A referral letter is typed and faxed or emailed through to your practice for sign off. We'll even contact your patient within one hour of the referral being received to arrange a suitable date and time for appointment with the chosen consultant.

### EASY ONE STEP REFERRALS TO BMI HEALTHCARE HOSPITALS

Provide your patient with a printed referral letter
