

Ross Hall
Hospital

DIRECTORY OF CONSULTANTS 2021

BMI Ross Hall Hospital

ANAESTHETICS								
Dr G McGinn	Pain management, back and neck pain, neuropathic pain, complex regional pain syndrome		pm					
AUDIOLOGY								
Mr P Darroch	Audiology, audiometry, tympanometry, hearing aid provision, management of hearing loss, tinnitus counselling and therapy				am			
BREAST SURGERY								
Ms J Doughty	Breast surgery, benign breast disease, breast cancer			am		am		
Mr D Hansell	Breast surgery, breast disease, general surgery, laparoscopic surgery, gall stones, hernia, endocrine surgery	pm eve	pm eve	am	pm eve	am pm		
Mr J Mansell	Breast surgery, benign breast disease		eve					
Mrs J McIlhenny	Breast surgery, breast lumps, breast cancer, breast pain, nipple change, nipple discharge					am		
Mr M McKirdy	General surgery, oncoplastic breast surgery and breast reconstruction			am	eve	am		
Mr D Murphy	Breast surgery, benign breast disease	eve						
CARDIO-THORACIC SURGERY								
Mr Z Mahmood	Cardiac surgery	eve						
Mr F Sutherland	Coronary artery bypass grafting (CABG), off pump CABG, aortic and mitral valve surgery, tumours of the heart	Appointments on request						
CARDIOLOGY								
Professor C Berry	Chest pain, coronary artery disease, valvular heart disease, heart failure			pm	am			
Professor A Brady	General cardiology, hypertension, heart failure, valvular heart disease, pulmonary embolism	pm eve						
Dr A Docherty	Coronary artery disease, valvular heart disease, coronary angioplasty, arrhythmia management, pacemakers, ICDs, hypertension			eve		am		
Dr H Dormand	Chest pain, cardiomyopathy, ischaemic heart disease, valve disease		am					
Professor H Eteiba	Interventional cardiology			eve				
Dr I Findlay	General cardiology, hypertension, cardiomyopathy		am					
Dr D MacDougall	Chest pain, coronary artery disease, coronary angiography and angioplasty, palpitations, arrhythmia, atrial fibrillation, valvular heart disease, hypertension, hyperlipidaemia, hypercholesterolaemia			pm		am		
Dr M Malekianpour	Coronary artery disease, coronary angioplasty, hypertension, hyperlipidaemia		am					
Dr H McAlpine	Hypertension, heart failure	pm			pm			
Dr R Northcote	Coronary artery disease, valvular heart disease, coronary angioplasty, pacemakers, hypertrophic cardiomyopathy, hypertension, sports cardiology	eve	pm	am	pm	pm		
Dr E Peat	General cardiology, management of ischaemic heart disease, coronary angiography, percutaneous coronary intervention, pacemaker implantation	am			eve			
Dr A Rae	Electrophysiology, radiofrequency ablation, angioplasty		pm					
Dr A Shaukat	Cardiology, coronary heart disease, coronary intervention, heart failure, heart valve disorders, hypertension, blood pressure tests, cardiac catheterisation, cardiac stress testing, ECG, pacemaker implantation, transoesophageal echocardiography			am				
Dr L Vickers	Assessment of palpitations, chest pain and breathlessness, coronary heart disease, heart failure, cardiac arrhythmias, hypertension, valvular heart disease, cardiovascular risk, echocardiography, exercise stress testing			am				
Dr G Wright	Atrial fibrillation, palpitations, arrhythmia, cryoballoon ablation, pacemakers, implantable cardioverter defibrillator, cardiac resynchronisation therapy, his bundle pacing, heart failure, breathlessness, chest pain, hypertension	pm						

CLINICAL NEUROPHYSIOLOGY						
Dr A Mallik	General neurophysiology, peripheral nerve and muscle disease, epilepsy	eve				
Dr C Mann	All aspects of EMG practice including Carpal Tunnel Syndrome, other entrapment neuropathies, peripheral nerve injuries, peripheral neuropathy		eve			
Dr A Yaacob	General neurophysiology					eve
CLINICAL ONCOLOGY						
Dr A Alhasso	Breast cancer, urological cancers - prostate, bladder	eve		eve		
Dr S Barrett	Breast cancer chemotherapy, hormonal therapy, targeted therapy					am
Dr B Clark	Lung cancer			eve		
Dr G Dunn	Breast and colorectal cancers					am
Dr N MacLeod	Colorectal and urological cancers					eve
Dr H Marashi	Upper GI and breast cancers					eve
Professor N Reed	Thyroid and neuroendocrine cancers, Gynaecological oncology			pm		
DERMATOLOGY						
Dr G Gupta	General dermatology, skin cancer, mole screening, laser therapy					pm
Dr I Hay	General dermatology, skin cancer, vulval diseases including vulvodynia and vulval dermatoses	am		am pm		
Dr R Herd	General dermatology, MOHS surgery, skin cancer, dermatological surgery, mole mapping, mole checks, laser surgery	am pm		am eve		eve
Dr S Holmes	General dermatology, diagnosis and treatment of hair disorders including hair loss, inflammatory disorders of the vulva			pm		
Dr N Wainwright	General dermatology, psoriasis, eczema, urticaria, contact dermatitis, warts, skin cancer, solar keratoses, sun damage photosensitivity			pm		
Dr M Zamiri	Genetic skin disease, genodermatoses particularly inherited disorders of keratinisation, medical dermatology					am
ENDOCRINOLOGY AND DIABETES MELLITUS						
Dr C Harrow	Endocrinology					am
Ms N McDonald	Dietetics only					eve
Dr B Mukhopadhyay	Thyroid disease, pituitary disease, hypogonadism/low testosterone, sexual disorders, calcium abnormalities, adrenal disorders, diabetes, general medical problems					eve
Miss L Murray	Dietetics only, weight management, bariatric surgery, GI disorders	eve		eve		am pm
GASTROENTEROLOGY						
Dr R Boulton-Jones	General gastroenterology, colonoscopy, upper GI, IBS, liver disease	am			eve	
Dr S Dover	General gastroenterology, colonoscopy, upper GI, liver disease			eve		am
Dr D Gaya	General gastroenterology, colonoscopy, upper GI endoscopy, inflammatory bowel disease, crohn's disease, irritable bowel syndrome, reflux disease, peptic ulcer disease, colonic polyps, cancer	eve			pm	
Dr M Heydtmann	General gastroenterology, hepatology, liver disease, colonoscopy, upper GI endoscopy			eve		eve
Dr J Morris	Gastrosocopy, colonoscopy, ERCP, capsule endoscopy, gut disease, anaemia, coeliac disease, crohns disease, ulcerative colitis, irritable bowel syndrome			eve		
Dr A Shah	General gastroenterology, alcohol liver disease, inflammatory bowel disease, gastro-oesophageal reflux disease	eve				

GASTROENTEROLOGY							
Professor A Stanley	General gastroenterology, dyspepsia, acid reflux, altered bowel habit, IBS, diagnostic and therapeutic endoscopy, colonoscopy, hepatology		pm				
Dr H Suzuki	Disorders of the oesophagus, stomach, small and large bowel, inflammatory bowel disease, irritable bowel syndrome, gastroesophageal reflux, dyspepsia, coeliac disease, cancer, gastroscopy, colonoscopy, small bowel capsule endoscopy					eve	
GENERAL PRACTICE							
Dr R Khan	Private GP service, COPD, asthma, diabetes				eve		
Dr J Tobias	Private GP service, health screening		pm				
GENERAL PSYCHIATRY							
Professor J Furnell	Psychology for children and young people, anxiety, depression	Appointments on request					
Dr Y McNeill	Psychology for depression, self-harm, anxiety, phobias, anger issues, stress, OCD, PTSD, low self-esteem, pain management, relationship difficulties including parenting, support in making decisions about medical care and genetic testing					am	
Dr E Millings	Psychology for work related stress, childhood/historical sexual/domestic abuse, rape, depression, anxiety, anger management, OCD, trauma effects (PTSD), eating disorders				am pm		
Professor C White	Psychology for adult mental health, anxiety, physical health problems, eating disorders, depression, alcohol/drug dependency, OCD					am pm	
GENERAL SURGERY							
Mr D Chong	General and colorectal surgery, bowel screening, colonoscopy, inflammatory bowel disease, perianal fistula, colorectal cancer, abdominal wall hernia	eve	pm				
Mr E Dickson	General surgery, pancreatco-biliary surgery, endoscopy	eve				eve	
Mr M Duxbury	Liver, pancreatic and biliary surgery, general surgery, gallstone disease, hernia surgery (laparoscopic and open), abdominal and groin pain, lumps and bumps	eve		eve		pm	
Professor G Fullarton	Upper GI surgery, laparoscopic, hernia, anti reflux surgery, linx procedure, barrett's oesophagus, radiofrequency ablation	am					
Mr S Gibson	Bariatric surgery, general surgery, upper GI, hernia, laparoscopic surgery					pm	
Mr D Hansell	Breast surgery, breast disease, general surgery, laparoscopic surgery, gall stones, hernia, endocrine surgery	pm eve	pm eve	am	pm	am pm	
Dr A Hussain	General surgery, laparoscopic surgery of the gall bladder, appendix and hernia, endoscopic procedures including OGD, colonoscopy and ERCP		am				
Mr H Kasem	Hernia surgery, upper GI, gastro-oesophageal reflux, endoscopy, laparoscopic cholecystectomy, gastro-intestinal endoscopy, bariatric surgery, interventional endoscopy			pm			
Mr C MacKay	Upper GI, endoscopy, laparoscopic surgery		pm				
Mr J McCourtney	Colorectal cancer, diagnostic and therapeutic colonoscopy, inflammatory bowel disease surgery, hernia surgery, rafaello procedure for haemorrhoids	am pm	am eve	am	am eve	eve	
Mr R Molloy	General and colorectal surgery, hernia surgery, colonoscopy, haemorrhoid procedures, THD procedure, anorectal surgery, laparoscopic hernia, laparoscopic colorectal surgery	eve				eve	
Mr A Mukherjee	General and colorectal surgery, hernia surgery, diagnostic and therapeutic colonoscopy, inflammatory bowel disease, anal fissure surgery					eve	
Mr A Renwick	General and colorectal surgery, colorectal cancer, IBD, colonoscopy including polypectomy and screening colonoscopy, laparoscopic surgery, sports injury/hernia repair		am		eve		
Mr C Shearer	Bariatric surgery, general surgery, cancer of the oesophagus/stomach, endoscopy, laparoscopic cholecystectomy, hernia surgery	Appointments on request					
Mr R Stuart	Bariatric surgery, upper gastrointestinal surgery, hernia repair	am	am	eve	am	am	

Ross Hall
Hospital

COMPLEX SURGERY

We are the only private hospital in Scotland with a level 3 Intensive Care Unit (5 Bed). This provides us with the ability to carry out highly complex procedures including coronary artery bypasses, aortic valve replacements, high anterior resections and small bowel resections.

To find out more: www.bmihealthcare.co.uk/rosshall

NEUROLOGY									
Dr J Greene	Epilepsy, blackouts, seizures, dementia, memory problems		eve					am	
Dr C Heath	Epilepsy, dementia, headache, neurological problems					pm			
Dr E Newman	General neurology, movement disorders, Parkinson's disease, dystonia		pm						
Dr C O'Leary	General neurology, multiple sclerosis		eve					am	
Dr S Razvi	Seizures, epilepsy							am	
Dr A Tyagi	Neurology, headache, migraine		am	pm	eve				
NEUROSURGERY									
Mr L Alakandy	General neurosurgery, complex spine surgery, surgery on brain tumours, minimally invasive spine surgery		pm			am			
Mr A Demetriades	Spinal surgery, minimally invasive spine surgery, microdiscectomy, disc replacement, decompression, laminectomy, complex spine, fusion, kyphotic/scoliotic deformity, spondylolisthesis					pm			
Mr W Taylor	Spinal surgery, skull base surgery	am eve	pm					pm	
OBSTETRICS AND GYNAECOLOGY									
Dr S Bjornsson	General gynaecology, laparoscopic surgery, treatment of endometriosis, pelvic floor reconstruction, urogynaecology					pm			
Dr K Datsun	Laparoscopic and hysteroscopic surgery, endometriosis, pelvic pain, menstrual disorders, laparoscopic hysterectomy, endometrial ablation, uterine fibroids, ovarian cysts, fertility preserving surgery, benign gynaecology, gynaecological endocrinology		am					eve	
Dr K Elsapagh	Gynaecology, pelvic floor surgery, colposcopy, laparoscopic hysterectomy, pelvic floor surgery, treatment of prolapse		pm						
Dr J Hardwick	General gynaecology, urinary incontinence, prolapse surgery, endometriosis, hysterectomy	eve				am eve			
Dr R Hawthorn	General gynaecology, laparoscopic surgery, colposcopy, endometriosis, prolapse, urinary incontinence, fibroids, heavy menstrual blood loss	eve	eve	eve	eve	am			
Dr S Mathew	Urogynaecology, laparoscopic surgery, endoscopy					am	am		
Dr H Mohamed Ali	Gynaecology, cancer care, urogynaecology, pelvic floor surgery, colposcopy, gynaecological abdominal surgery					pm			
Dr A Paterson	General gynaecology, surgical gynaecology, laparoscopic techniques for benign and malignant disease, pelvic floor reconstruction, urogynaecology	am eve	eve			eve			
Dr S Vella	Vulval skin disorders, colposcopy, menstrual disorders							eve	
OPHTHALMOLOGY									
Dr I Bryce	Cornea, cataract surgery, glaucoma	am						am	
Mr V Chadha	Oculoplastic surgery (eyelids and lacrimal), ocular oncology, cataract surgery		am						
Dr A Fern	Corneal and anterior segment disorders, glaucoma, squint surgery, cataract surgery		eve						
Mr P Gonzalez	Paediatric ophthalmology, neuro-ophthalmology					eve			
Dr M Gupta	Medical retina conditions, age related macular degeneration, diabetic eye disease, vein occlusion, diabetic laser, cataract surgery					eve			
Dr A Inglis	General ophthalmology, cataract surgery, glaucoma	am							
Dr Z Koshy	Vitreoretinal diseases, retinal diseases, cataract surgery					am			
Mr S Mantry	Cataract surgery, refractive surgery, cornea		eve	pm	pm				

OPHTHALMOLOGY							
Mr G McGowan	Vitreoretinal diseases, retinal tears, floaters, epiretinal membrane, macular hole, retinal detachment, diabetic eye disease, age related macular degeneration, eye trauma, cataract surgery	pm		am	eve		
Dr S Nabili	Cataract surgery, refractive surgery, oculoplastic and orbital surgery (disorders of eyelids and watery eye)	eve		eve		pm	
Dr A Purdie	Medical retina disorders, squint surgery, glaucoma, cataract surgery					am	
Mr M Rahman	Glaucoma, cataract surgery	eve	am		am		
ORAL AND MAXILLOFACIAL SURGERY							
Mr J Downie	Facial aesthetics, facial trauma, dermal resurfacing, face lift, brow lift, blepharoplasty, rhinoplasty, pinnaplasty, scar revision, paediatric oral and maxillofacial surgery				pm		
Mr A Gardner	Facial reconstruction, skin cancer, rhinoplasty, facelift, blepharoplasty					am	
Mr M Halsnad	Oral/facial skin lesions, TMJ surgery, scar revisions, fat transfer to facial defects, dentoalveolar surgery, dental implantology					pm	
Mr W Hislop	Oral and maxillofacial surgery, oncology, reconstructive surgery, oratogmatic surgery	eve					
Mr D Koppel	Craniofacial surgery, facial trauma, dentoalveolar surgery, TMJ disorders/surgery/replacement, oral mucosal diseases, facial deformity	eve					
Mr J McCaul	Facial Plastic Surgery, Head and neck surgery, Maxillofacial surgery, Face lift, Rhinoplasty, Blepharoplasty, Facial Trauma, Facial Pain, TMJ disorders		am				
Mr C Wales	Head and neck oncology, reconstructive surgery, skin surgery, salivary gland surgery, facial trauma, oral medicine, facial aesthetics, oral surgery, TM joint dysfunction			eve			
ORTHOPTICS							
Ms A Mellors	Paediatric and adult orthoptic assessments, visual development, squints, neurological conditions affecting vision				eve		
OTOLARYNGOLOGY							
Mr N Balaji	Rhinoplasty, ear correction, snoring clinic, sinus surgery				pm		
Mr B Bingham	General ENT, nasal and sinus surgery, otolaryngology surgery, paediatric ENT	pm	eve		pm		
Mr A Chin	General adult ENT conditions, allergic rhinitis, general childhood conditions, hearing loss, tonsillitis, adenoid problems, snoring, glue ear, management of vertigo, tinnitus		pm				
Professor J Crowther	General ENT, otology, neuro-otology, balance, nose and sinuses, head and neck oncology			pm			
Dr A Espeso	General/paediatric ENT, otology, tympanic membrane perforation surgery, cholesteatoma surgery, removal of pre-auricular sinus, pinnaplasty surgery, dizziness, tinnitus, sinusitis, tonsillectomy	pm					
Mr O Hilmi	General ENT, sinus surgery, thyroid and parathyroid surgery, parotid surgery, benign head and neck surgery		pm				
Professor G Kontorinis	General ENT, otolaryngology, hearing and balance problems				eve		
Mrs C MacAndie	General ENT, vertigo, tinnitus, hearing loss, ear infections					am	
Mr J Marshall	General ENT, sinus problems, cosmetic rhinoplasty, sinus surgery, ear problems, hearing loss, tinnitus, dizziness			am	eve		
Mr C Murray	General ENT, otology, rhinology, discharging ear, vertigo, BPPV (positional vertigo), tinnitus, hearing, nasal surgery for block/polyposis/infection		am			eve	
Mr A Robertson	General ENT, rhinology, sinus disease, nasal allergy					pm	
Mr S Robertson	Voice and swallowing problems, neck lumps, head and neck cancer					am	
Mr S Sheikh	General ENT, nasal surgery, facial skin cancer, nasal reconstruction, balloon sinuplasty					am	
Mr M Stewart	General ENT, endoscopic sinus surgery, head and neck cancer surgery, thyroid surgery, benign head and neck disease surgery				pm		

PAEDIATRICS						
Mr B Bingham	General ENT, nasal and sinus surgery, otolaryngology surgery, paediatric ENT	pm	eve		pm	
Mr A Chin	General adult ENT conditions, allergic rhinitis, general childhood conditions, hearing loss, tonsillitis, adenoid problems, snoring, glue ear, management of vertigo, tinnitus		pm			
Mr J Downie	Facial aesthetics, facial trauma, dermal resurfacing, face lift, brow lift, blepharoplasty, rhinoplasty, pinnaplasty, scar revision, paediatric oral and maxillofacial surgery				pm	
Dr A Espeso	General/paediatric ENT, otology, tympanic membrane perforation surgery, cholesteatoma surgery, removal of pre-auricular sinus, pinnaplasty surgery, dizziness, tinnitus, sinusitis, tonsillectomy	pm				
Mr P Gonzalez	Paediatric ophthalmology, neuro-ophthalmology				eve	
Dr A Houston	Paediatric cardiology, heart disease	Appointments on request				
Mr A Iyer	Paediatric ENT, tonsillitis, adenoiditis, snoring, hearing loss, ear correction					eve
Mr S O'Toole	Paediatric urology, appendicectomy, circumcision, orchidopexy, UTI's, urinary incontinence, vesico ureteric reflux, undescended testes, hydrocele, hernia	eve				
Dr G Raptis	Paediatric allergy, food allergy particularly cow's milk allergy	eve				
Mr A Sabharwal	General paediatric surgery, neonatal surgery, hernia, hydrocele, foreskin issues including circumcision, management of undescended testes, skin lesions			pm		
PLASTIC SURGERY						
Mr R Bramhall	Plastic surgery, breast surgery, aesthetic surgery, non-melanoma skin cancer		eve	eve		
Mr J Chatterjee	Cosmetic surgery, plastic surgery, hand surgery, breast reconstruction, oncoplastic breast surgery, skin cancer, facial reconstruction		eve			
Mr B Chew	Breast surgery, body contouring surgery				eve	
Mr A Gilmour	Cosmetic surgery, breast augmentation/enlargement, mastopexy, fat transfer, abdominoplasty, pinnaplasty, liposuction, arm/thigh lift, gynaecomastia, skin cancer, skin lesions			pm		
Professor A Hart	Hand and peripheral nerve, cosmetic surgery, skin cancer	eve				
Dr P Lohana	Cosmetic surgery, reconstructive surgery, hand surgery					eve
Mr A Malyon	Breast surgery including reconstruction, abdomen, nose and ear surgery			am		
Mr S Morley	Plastic, reconstructive and cosmetic surgery	pm				
Mr A Naasan	Cosmetic surgery, anti-wrinkle injections, dermal filler treatment, breast surgery, facial surgery, body surgery, scar treatment, skin lesions, skin cancer, hand surgery			pm		
Mr J Scott	Skin lesions, skin cancer		pm			
Mr J Telfer	Breast, face, abdomen, hand surgery and reconstruction, cosmetic gynaecology		eve			
Ms E Weiler-Mithoff	Breast, reconstruction, body contouring		am			
RESPIRATORY MEDICINE						
Dr A Guhan	Cough, asthma, allergy, smoking induced lung diseases, interstitial lung fibrosis, pleural diseases, occupational lung diseases, obstructive sleep apnoea				am	pm
Dr L McAlpine	Cough, breathlessness, allergy, lung disease, asbestos diseases, asthma, COPD, lung cancer, pulmonary embolism, pleural disease			eve		eve
Dr S Roy	General medicine, respiratory medicine, COPD, asthma, interstitial lung disease					eve

RHEUMATOLOGY						
Dr D McCarey	Rheumatoid arthritis, ankylosing spondylitis, osteoarthritis, gout, pseudogout			eve		eve
Dr A McEntegart	Rheumatoid arthritis, osteoarthritis, connective tissue disease, psoriatic arthritis, ankylosing spondylitis, fibromyalgia, pseudogout, gout				am	
TRAUMA AND ORTHOPAEDICS SURGERY						
Mr A Abbas	Hip replacement, knee replacement, computer navigated knee replacement, complex primary/revision knee surgery, arthroscopic knee surgery				pm	
Mr K Ayoub	Shoulder, elbow and knee surgery, soft tissue surgery of the knee, keyhole surgery of the shoulder and knee	pm				
Mr M Broadbent	Hand and upper limb surgery, wrist arthroscopy, wrist replacement, small joint replacement in the hand, sports injuries, fracture fixation, elbow arthroscopy, shoulder arthroscopy, rotator cuff surgery			eve	eve	
Mr A Brooksbank	Shoulder surgery, sports injuries, complex arthroscopy for stabilisation and rotator cuff repair, shoulder replacement, reverse total shoulder replacement, shoulder fractures	pm eve	eve			
Mr M Buchan	Knee surgery, knee replacement, knee arthroscopy, ACL reconstruction				eve	am
Mr L Campton	Hip replacement, hip arthroscopy/sports injury surgery, knee replacement, knee arthroscopy	am				
Mr R Carter	Foot and ankle surgery, sports foot and ankle injuries, trauma, bunion surgery, toe correction, ankle instability, plantar fasciitis	pm	eve			
Mr K Cheng	Shoulder, elbow and hand surgery, rotator cuff tears, instability of the shoulder, labral tears, frozen shoulders, dupuytren's disease, hand and wrist arthritis, carpal tunnel, tendon injuries, hand and wrist fractures				am	
Mr S Chitnis	Hand and knee surgery, carpal tunnel, trigger finger release, dupuytren's disease, finger joint replacements, hand injuries and fracture fixations, wrist arthroscopy, knee arthroscopy, ligament reconstruction, cartilage operations, knee replacement		eve			pm
Mr J Dearing	Customised knee replacement, partial knee replacement, Knee/hip replacement, sports injuries, knee arthroscopy, meniscal surgery, ACP therapy, knee ligament reconstruction, internal brace, shoulder arthroscopy, rotator cuff surgery	pm	pm	pm		pm
Mr K Deep	Hip and knee replacement, arthroplasty, computer assisted surgery, arthroscopic knee surgery, ACL reconstruction				pm	
Mr A Eslami	Knee surgery, knee arthroscopy, ACL reconstruction surgery		eve			
Mr U Fazzi	Shoulder and elbow surgery, elbow arthroscopy, rotator cuff surgery, shoulder arthroscopy				am	
Mr A Gregori	Knee arthroplasty, knee arthroscopy, ACL reconstruction, navigation/computer assisted knee surgery		pm			
Mr B Jamal	Foot and ankle surgery, deformity correction, non-union surgery, bone infection, limb lengthening, ankle distraction arthroplasty	pm		eve		
Professor G MacKay	Ankle, knee and shoulder surgery, sports surgery, knee arthroscopy, cruciate ligament reconstruction, internal brace, shoulder arthroscopy	am pm		eve		pm
Mr D Mansbridge	Hip and knee surgery, knee arthroscopy, hip arthritis, hip bursitis, hip tendonitis, hip sports injury, knee arthritis, knee bursitis, knee cartilage problems, knee ligament and tendon problems, knee sports injury, foot and ankle pain	am eve	eve		eve	
Professor D Meek	Hip arthroplasty including young patient alternative bearings, hip resurfacing, complex primary and revision hip arthroplasty, periprosthetic fracture management		eve			
Ms R Miller	Foot and ankle surgery, bunions, great toe arthritis, lesser toe deformities, lateral ligament injuries, tendon injuries, Morton's neuroma, ankle replacement surgery, diabetic foot syndromes, rheumatoid arthritis			am		
Mr S Moir	Foot and ankle surgery				pm	
Mr S Patil	Hip replacement, hip arthroscopy and sports hip surgery, hip dysplasia treatment and hip osteotomy	eve				

TRAUMA AND ORTHOPAEDICS SURGERY

Mr J Press	Lower limb surgery, primary and revision arthroplasty, joint replacement for young patients utilising alternative bearing surfaces, soft tissue injuries of the knee, forefoot surgery	eve		pm			
Mr S Rajkumar	Hip replacement, knee replacement, knee arthroscopy, cartilage preservation, foot surgery, bunions, hallux valgus, plantar fasciitis, bendy toe		eve				
Mr B Rana	Hip replacement, knee replacement				pm		
Mr B Rooney	Knee replacement, knee arthroscopy and ligament reconstruction following sports injuries or trauma, arthritis including osteotomy	eve	pm				
Mr K Shah	Foot and ankle surgery					am	
Mr P Sharma	Hip replacement, knee replacement, hand surgery, cortisone injection	pm			eve		
Mr M Torkington	Hand and wrist surgery, peripheral nerve entrapment, carpal tunnel syndrome, ulnar nerve compression, trigger finger, dupuytren's disease, osteoarthritis of the hand and wrist, swellings of the hand and wrist, hand and wrist fractures				pm		
Mr K Young	Hip and knee surgery, total hip and knee replacement surgery, revision hip surgery, partial knee replacement surgery, arthroscopic knee surgery, foot and ankle surgery					pm	

UROLOGY

Mr I Ahmad	Prostate cancer, bladder cancer, benign prostate disease, bladder dysfunction, recurrent UTIs, inguino-scrotal disease			eve			
Mr I Dunn	General urology, investigation of haematuria, stone disease, laparoscopic surgery		am	eve			
Mr Z Latif	General urology, circumcision, cystoscopy, TURBT, TURP, vasectomy			am	eve	pm	
Mr S Nalagatla	Renal and ureteric stones treatment, supine percutaneous nephrolithotomy (PCNL) for renal stones, ureteroscopy and stone fragmentation for ureteric stones		am				
Mr M Palmer	Lower urinary tract dysfunction, bladder reconstruction	pm				am	
Mr K Qureshi	General urology, laparoscopic urology		eve			pm	
Mr N Umez-Eronini	Stone disease, cystoscopy, holmium laser enucleation of the prostate, laparoscopic pyeloplasty, TURP, TURBT, circumcision, painful bladder syndrome, surgery for benign scrotal lumps, urethrotomy, ureteroscopy, vasectomy, laparoscopic nephrectomy				pm		
Mrs R Webber	Stone disease, endourology, BPH, male infertility, vasectomy reversal	pm					

VASCULAR SURGERY

Mr S Kettlewell	Varicose veins, RFA, EVLA/EVLT, ultrasound guided foam sclerotherapy, vascular surgery, venaseal		am eve		am pm	pm	
-----------------	--	--	-----------	--	----------	----	--

Ross Hall
Hospital

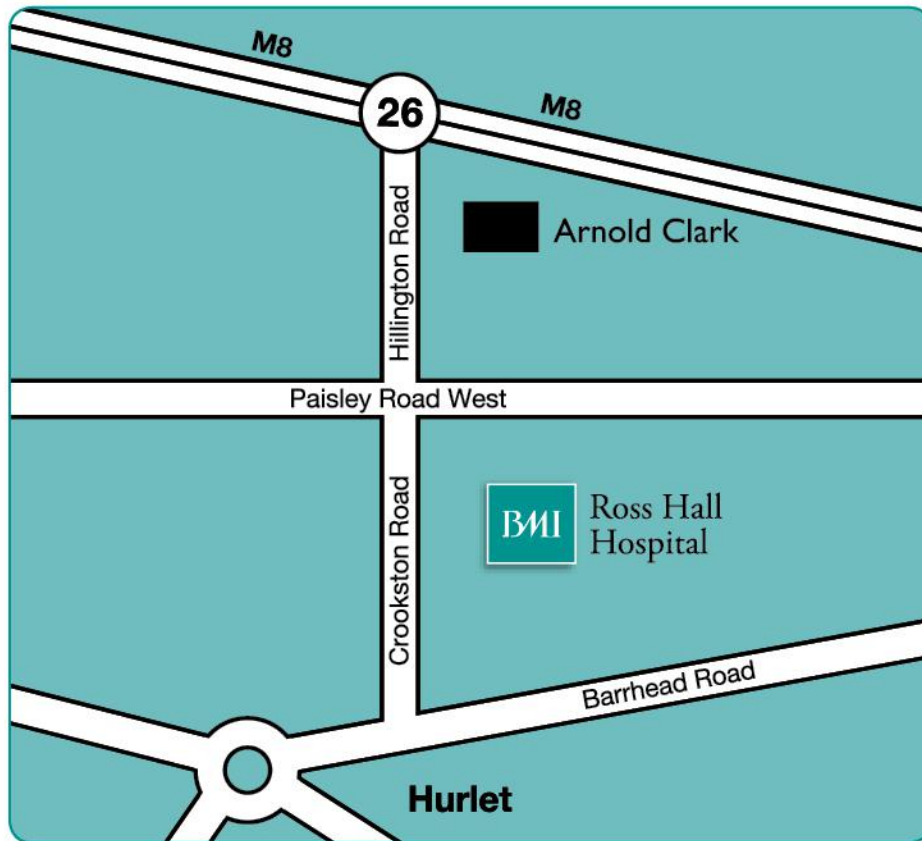

UROLOGY

We have recently enhanced our urology service and are now able to carry out urodynamic testing, renal stone removal and rezum[™] treatment, a transurethral water vapour therapy for benign prostatic enlargement.
