Hospital

DIRECTORY OF CONSULTANTS 2021

BMI The Droitwich Spa Hospital

BMI The Droitwich Spa Hospital is part of Circle Health Group, the UK's largest provider of independent healthcare*

At Circle Health Group, we have 53 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to highly specialised consultants. BMI The Droitwich Spa Hospital also has access to some of the latest technology and equipment, including:

- ✓ 33 Beds
- ✓ 11 Consulting Rooms
- ✓ Diagnostic Suite with MRI and CT Scanners
- ✓ Fully Equipped Physiotherapy Suite with AlterG Treadmill
- ✓ ENT Room
- ✓ 3 Operating Theatres all with Laminar Flow
- ✓ Ophthalmology Room
- ✓ Minor Operations Suite
- ✓ Endoscopy Suite
- ✓ Fully Equipped Physiotherapy Suite with AlterG Treadmill

BMI Healthcare is proud of its consistently low hospital infection rates for MRSA bacteraemia and Clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning. For more information about BMI's Quality of Care, including awards, visit - <https://www.bmihealthcare.co.uk/about-bmi/quality-of-care>

*Based on the number of hospitals/treatment centres within the UK - Dec 2020. **During the period of October 2019 to September 2020, based on 438 received individual patient feedback scores who said the quality of care was very good or excellent. *** During the period of October 2019 to September 2020, based on 316 received individual patient scores rating their overall nursing care satisfaction and quality. **** During the period of October 2019 to September 2020, based on 307 received individual patient scores who rated whether their expectations were met or exceeded. ***** During the period of October 2018 to September 2019, based on 435 received individual patient scores rating the likelihood of recommending the hospital to their friends and family. 783 total questionnaires, analysed by Quality Health, who are an independent survey provider.

Quality of care
