

# DIRECTORY OF CONSULTANTS 2021

BMI The Winterbourne Hospital

BMI The Winterbourne Hospital is part of Circle Health Group, the UK's largest provider of independent healthcare\*

At Circle Health Group, we have 53 hospitals and healthcare facilities nationwide. Throughout these locations we treat more than 300,000 patients and manage over one and a half million outpatient visits every year, offering a wealth of experience, highly complex surgery, a patient-centred approach and access to highly specialised consultants. BMI The Winterbourne Hospital also has access to some of the latest technology and equipment, including:

- ✓ 31 ensuite bedrooms
- ✓ 2 laminar flow operating theatres
- ✓ Ambulatory care suite
- ✓ 2 minor treatment rooms
- ✓ Meeting rooms
- ✓ Outpatients minor surgery
- ✓ 9 consulting rooms
- ✓ Xray
- ✓ MRI
- ✓ Ultrasound
- ✓ Onsite pharmacy
- ✓ Extended recovery beds
- ✓ Physiotherapy
- ✓ Hydrotherapy (offsite)

BMI Healthcare is proud of consistently low hospital infection rates for MRSA bacteraemia and clostridium difficile. This is achieved by a carefully planned regime of rigorous infection prevention policies, surveillance, training and exceptionally high standards of cleaning.

\*Based on the number of hospitals/treatment centres within the UK September 2020. \*\*Satisfaction figures are based on patients given a rating of 'very good' or 'excellent' of a sample of 656 completing a questionnaire over the period October 2019-September 2020. \*\*\*Overall quality care score is based on patients giving a 'very good' or 'excellent' of a sample of 525 completing a questionnaire over the period October 2019-September 2020. \*\*\*\*Friends and Family recommendation figures are based on 527 patients saying that they are 'extremely likely/likely' to recommend the hospital to friends and family over the period September 2019-October 2020. Questionnaires analysed by Quality Health who are an independent survey provider.
