- The option of room service or an on-site restaurant for you and your visitors
- Flexible visiting hours
- Concierge service to assist you and your visitors throughout your stay

About Us

- The Alexandra Hospital is owned by BMI Healthcare, the largest private hospital group in the UK
- Since the hospital opened in 1981, it has earned an international reputation for safe and effective outcomes across a wide range of treatments, from complex cardiac cases to minor surgery
- Today over 600 Consultants choose to practise from The Alexandra Hospital, many of whom hold teaching responsibilities and are renowned for their experience, attracting patients from all over the world
- We continuously invest in our facilities (£8 million in 2016/2017) to ensure our patients have access to the latest treatments. We also provide the reassurance of on-site intensive care facilities at a level above most private hospitals, should they be required
- Our team of experienced, friendly Clinicians are dedicated to ensuring patients are safe and cared for at all times

We have a **0%** MRSA bacteriaemia record*

99.1% of patients were satisfied with our overall quality of care¹

115 different specialties and services, including neurosurgery, orthopaedic surgery, cardiology and cancer care

*Quality and Risk Report, February 2014-2015. ¹Data from Quality Accounts Report March 2016.

FINANCING YOUR TREATMENT

There are a number of ways to fund your treatment here at The Alexandra Hospital. Whether you decide to pay for your care yourself, use private medical insurance or opt to use our BMI Card*, we're here to support and advise you with a payment plan that's most suitable for you.

Paying For Yourself

The Alexandra Hospital offers a bespoke advisory service for every self-funding patient who chooses to be treated at the hospital. Your personal Self-Pay Advisor will talk you through costs and will provide you with a price tailored to your treatment – ensuring there aren't any hidden fees. For more information regarding self-funding your treatment, please call the on-site self-pay office on **0161 968 7594** or **0161 495 7029** and one of our dedicated advisors will be happy to help.

Insurance

Private medical insurance is a great way to access private healthcare. The Alexandra Hospital recognises policies from most major medical insurers. Contact your insurer today and they will be able to advise you of what is available through your policy. You can also download our guide to accessing private healthcare through insurance by visiting bmihealthcare.co.uk/private-medical-insurance/how-to-access

BMI Card

The BMI Card is a unique credit facility that allows you to spread the cost of your healthcare with us. The BMI Card allows fast treatment and flexible payments so that you can get back to doing what you love. For more information call **0800 404 6783** or visit bmihealthcare.co.uk/patient-information/bmi-card to download an application form.
